Let op! Vergelijk altijd met de maten uit de tabel! Meet niet op de patronen, want deze afmetingen komen niet exact overeen wegens extra waarde voor draagcomfort.

Attention! Calculez toujours votre taille en vous basant sur ce tableau et ne relevez pas directement les mesures sur le patron, car celles-ci incluent des valeurs d'aisance.

Bitte beachten! Vergleiche deine Maße immer mit den Maßen in der Tabelle! Nicht auf dem Schnittmuster messen, denn die Maße stimmen aufgrund von Zugaben für den Tragekomfort nicht genau überein.

Important! Always compare with the sizes listed in the chart! Never measure off the pattern because these measurements do not match exactly due to the extra allowance for a comfortable fit.
