/ Test square / Kontrollquadrat

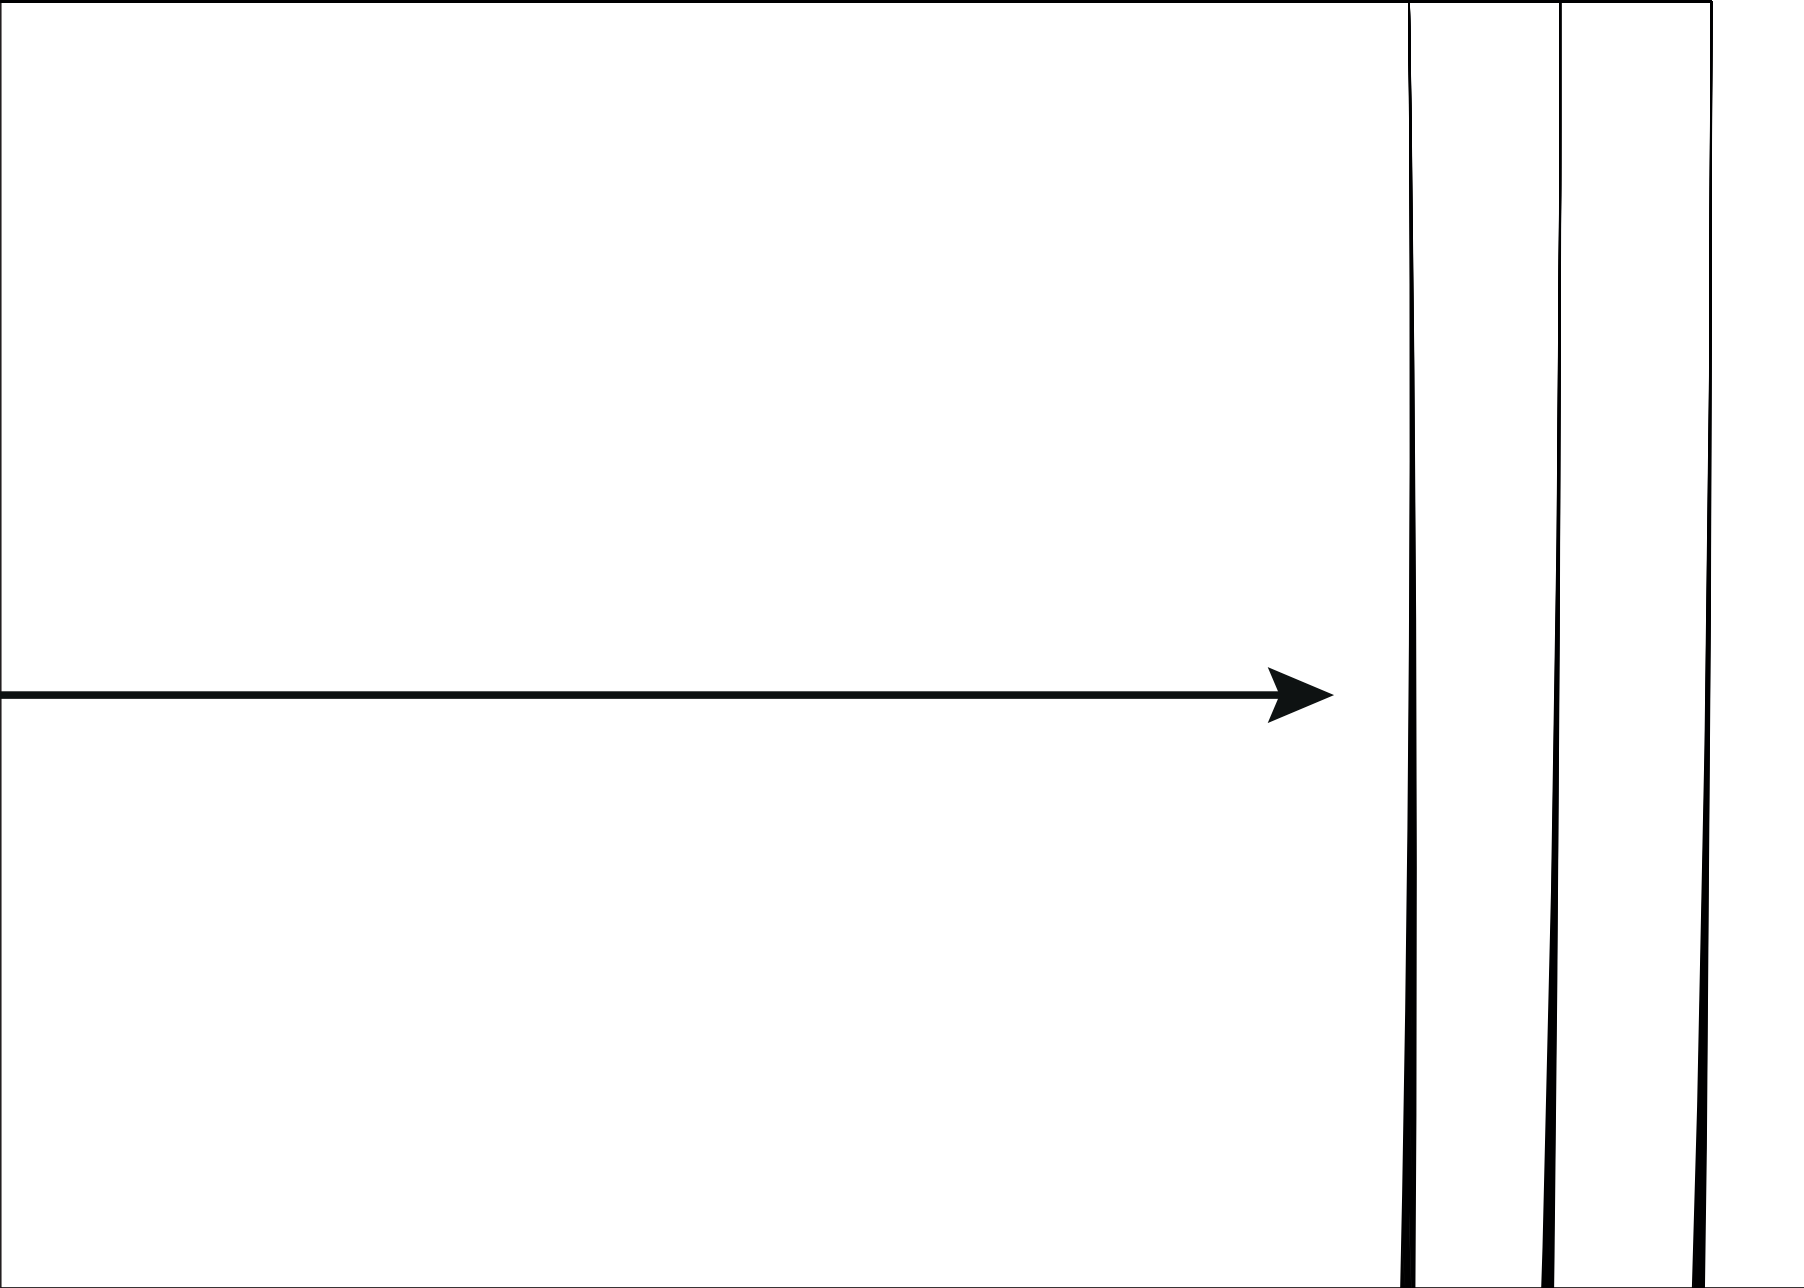

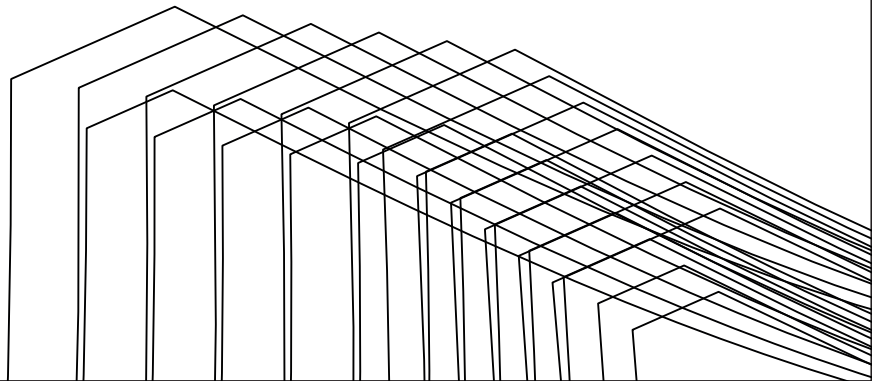

MR/MDS

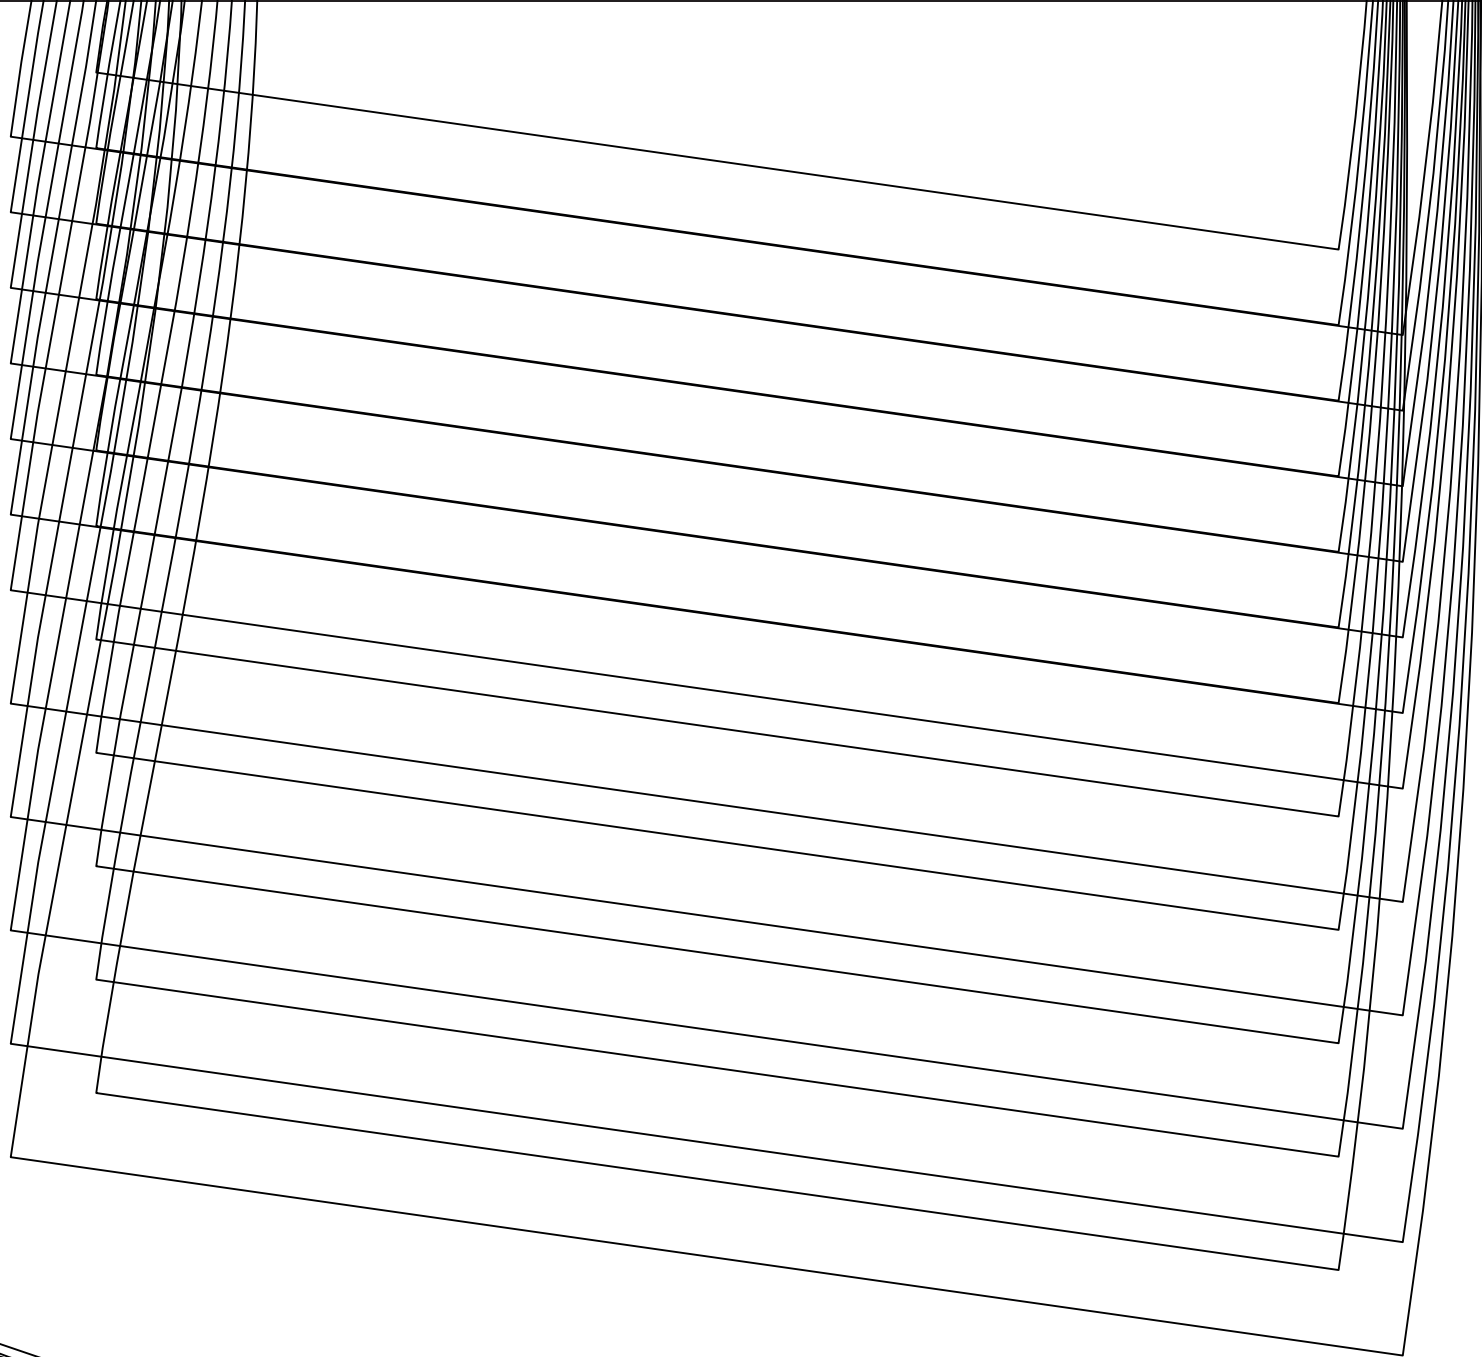

**D**

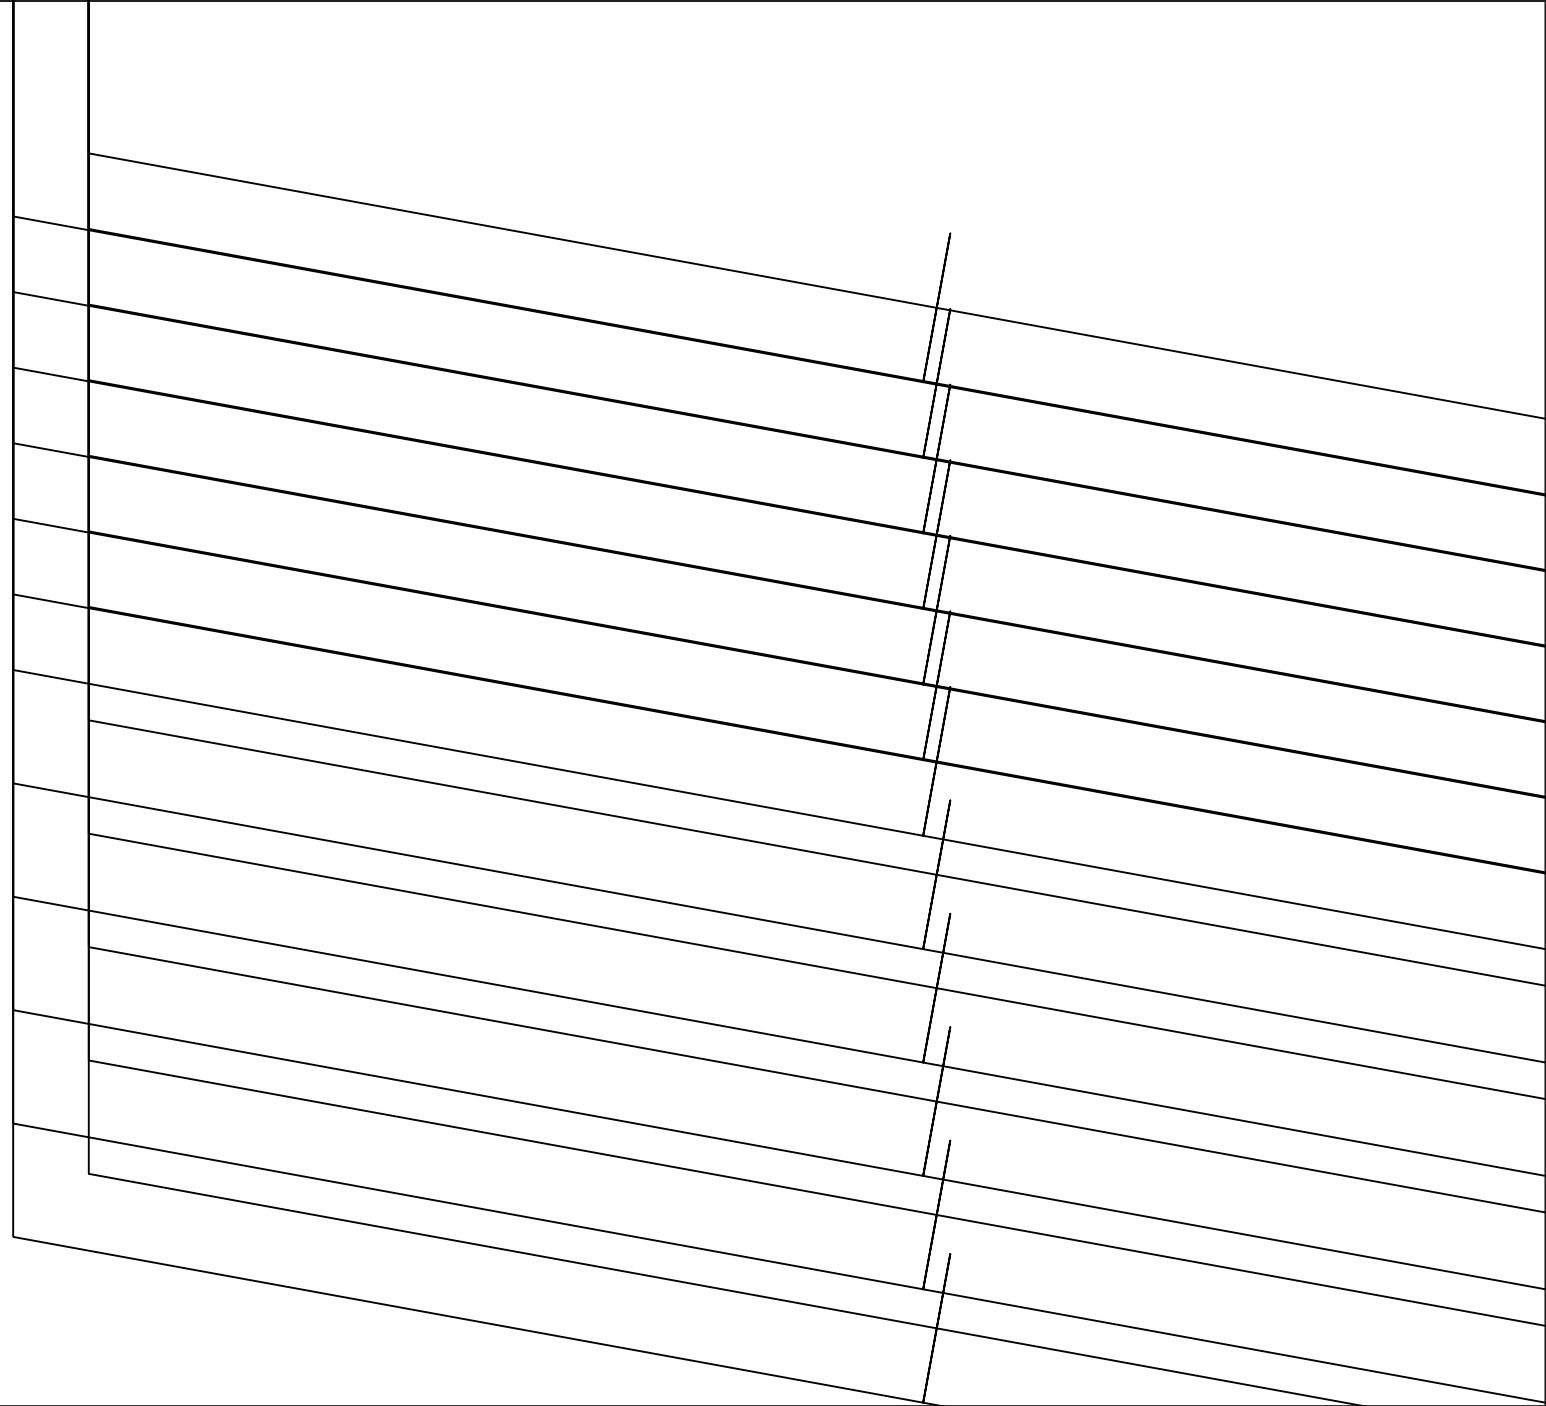

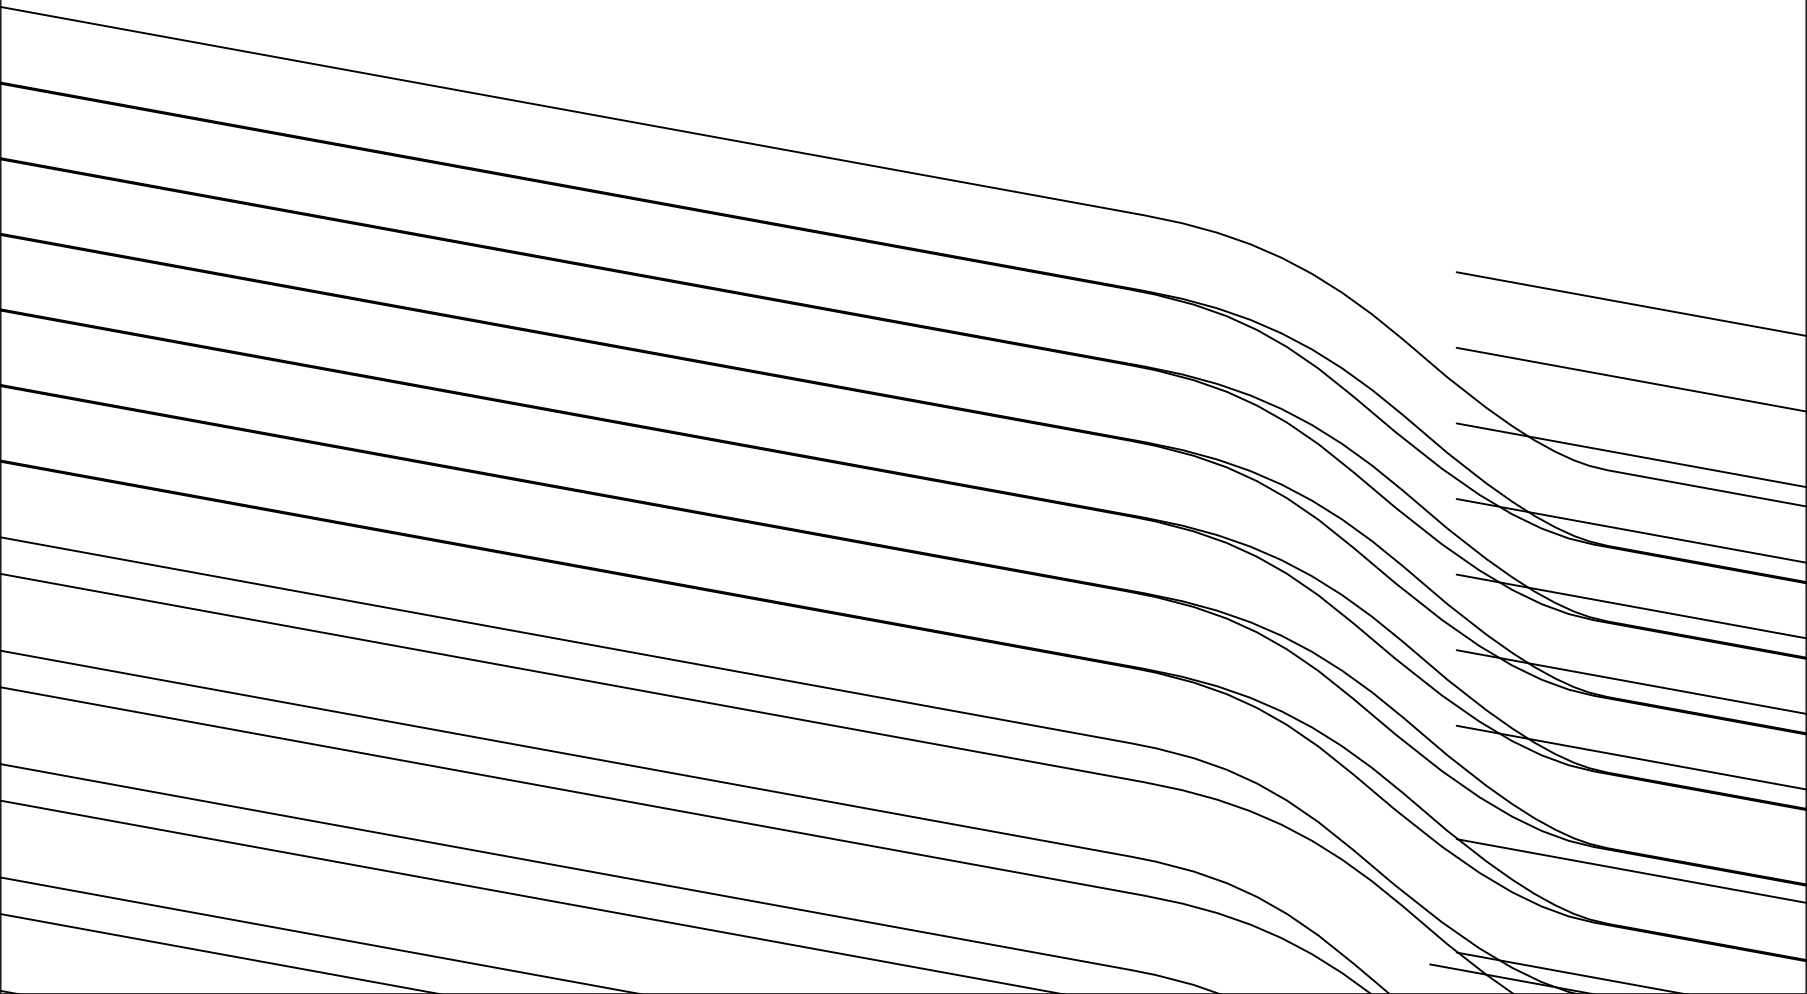

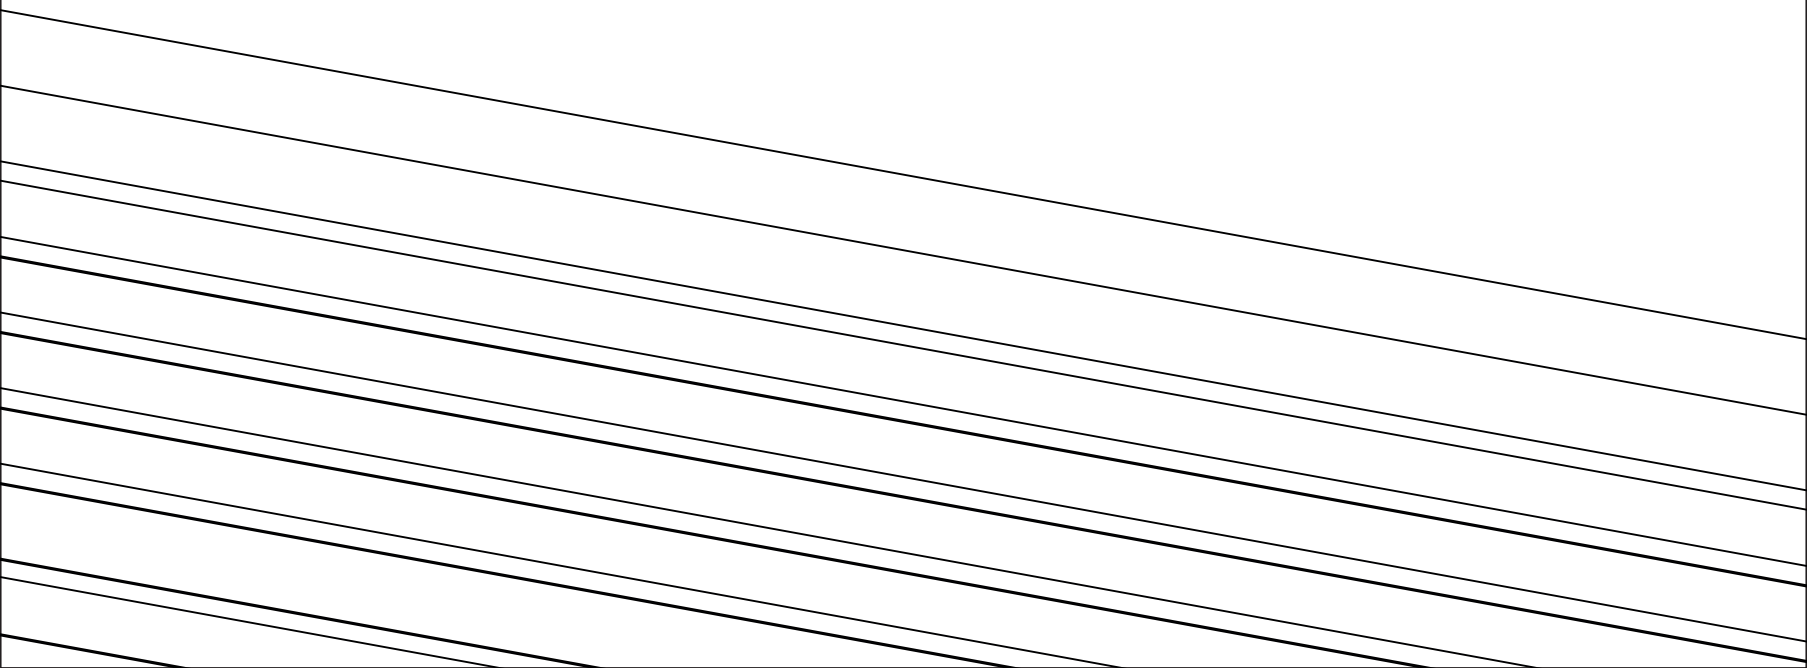

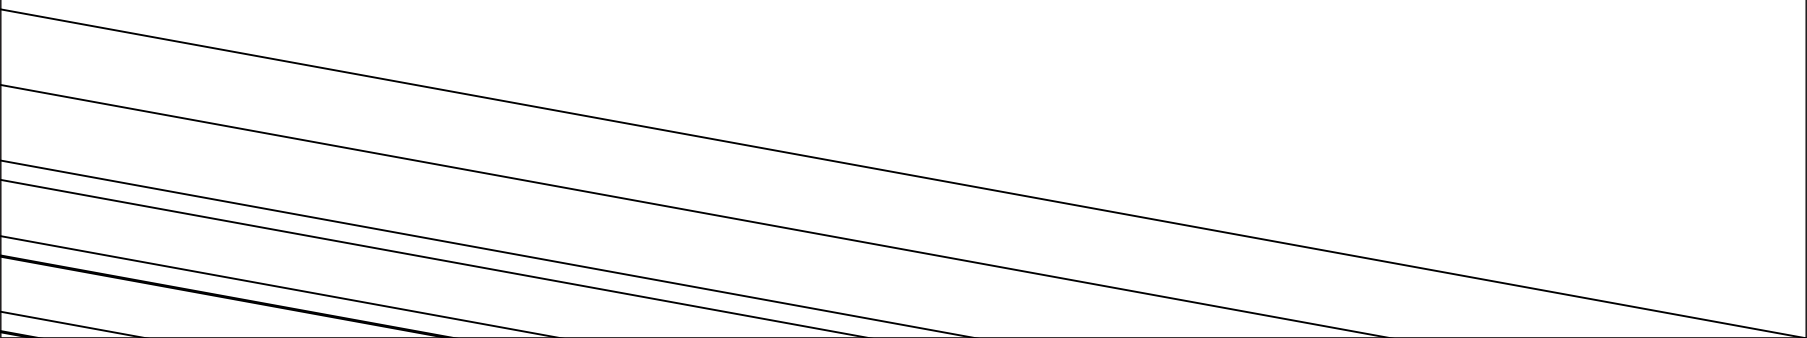

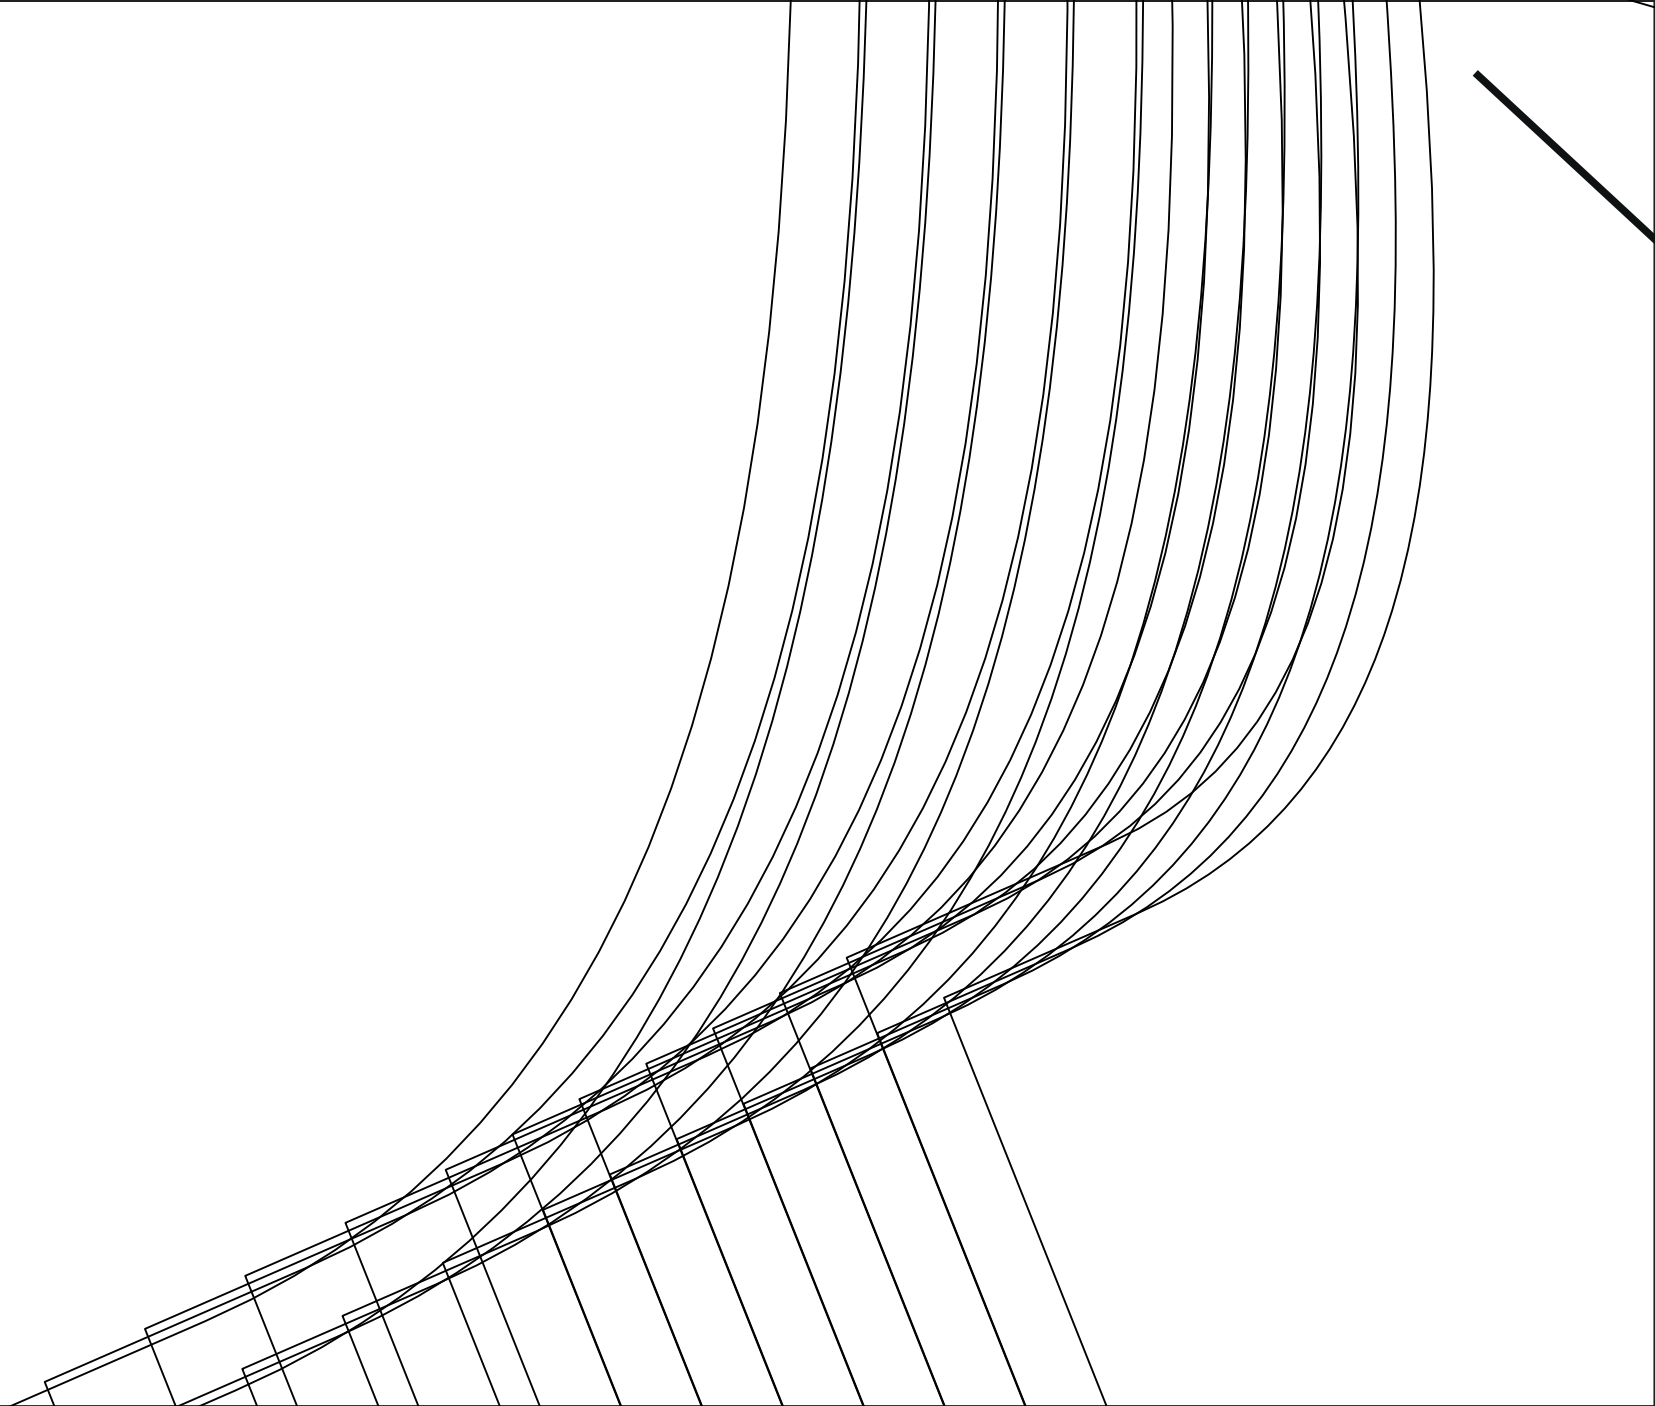

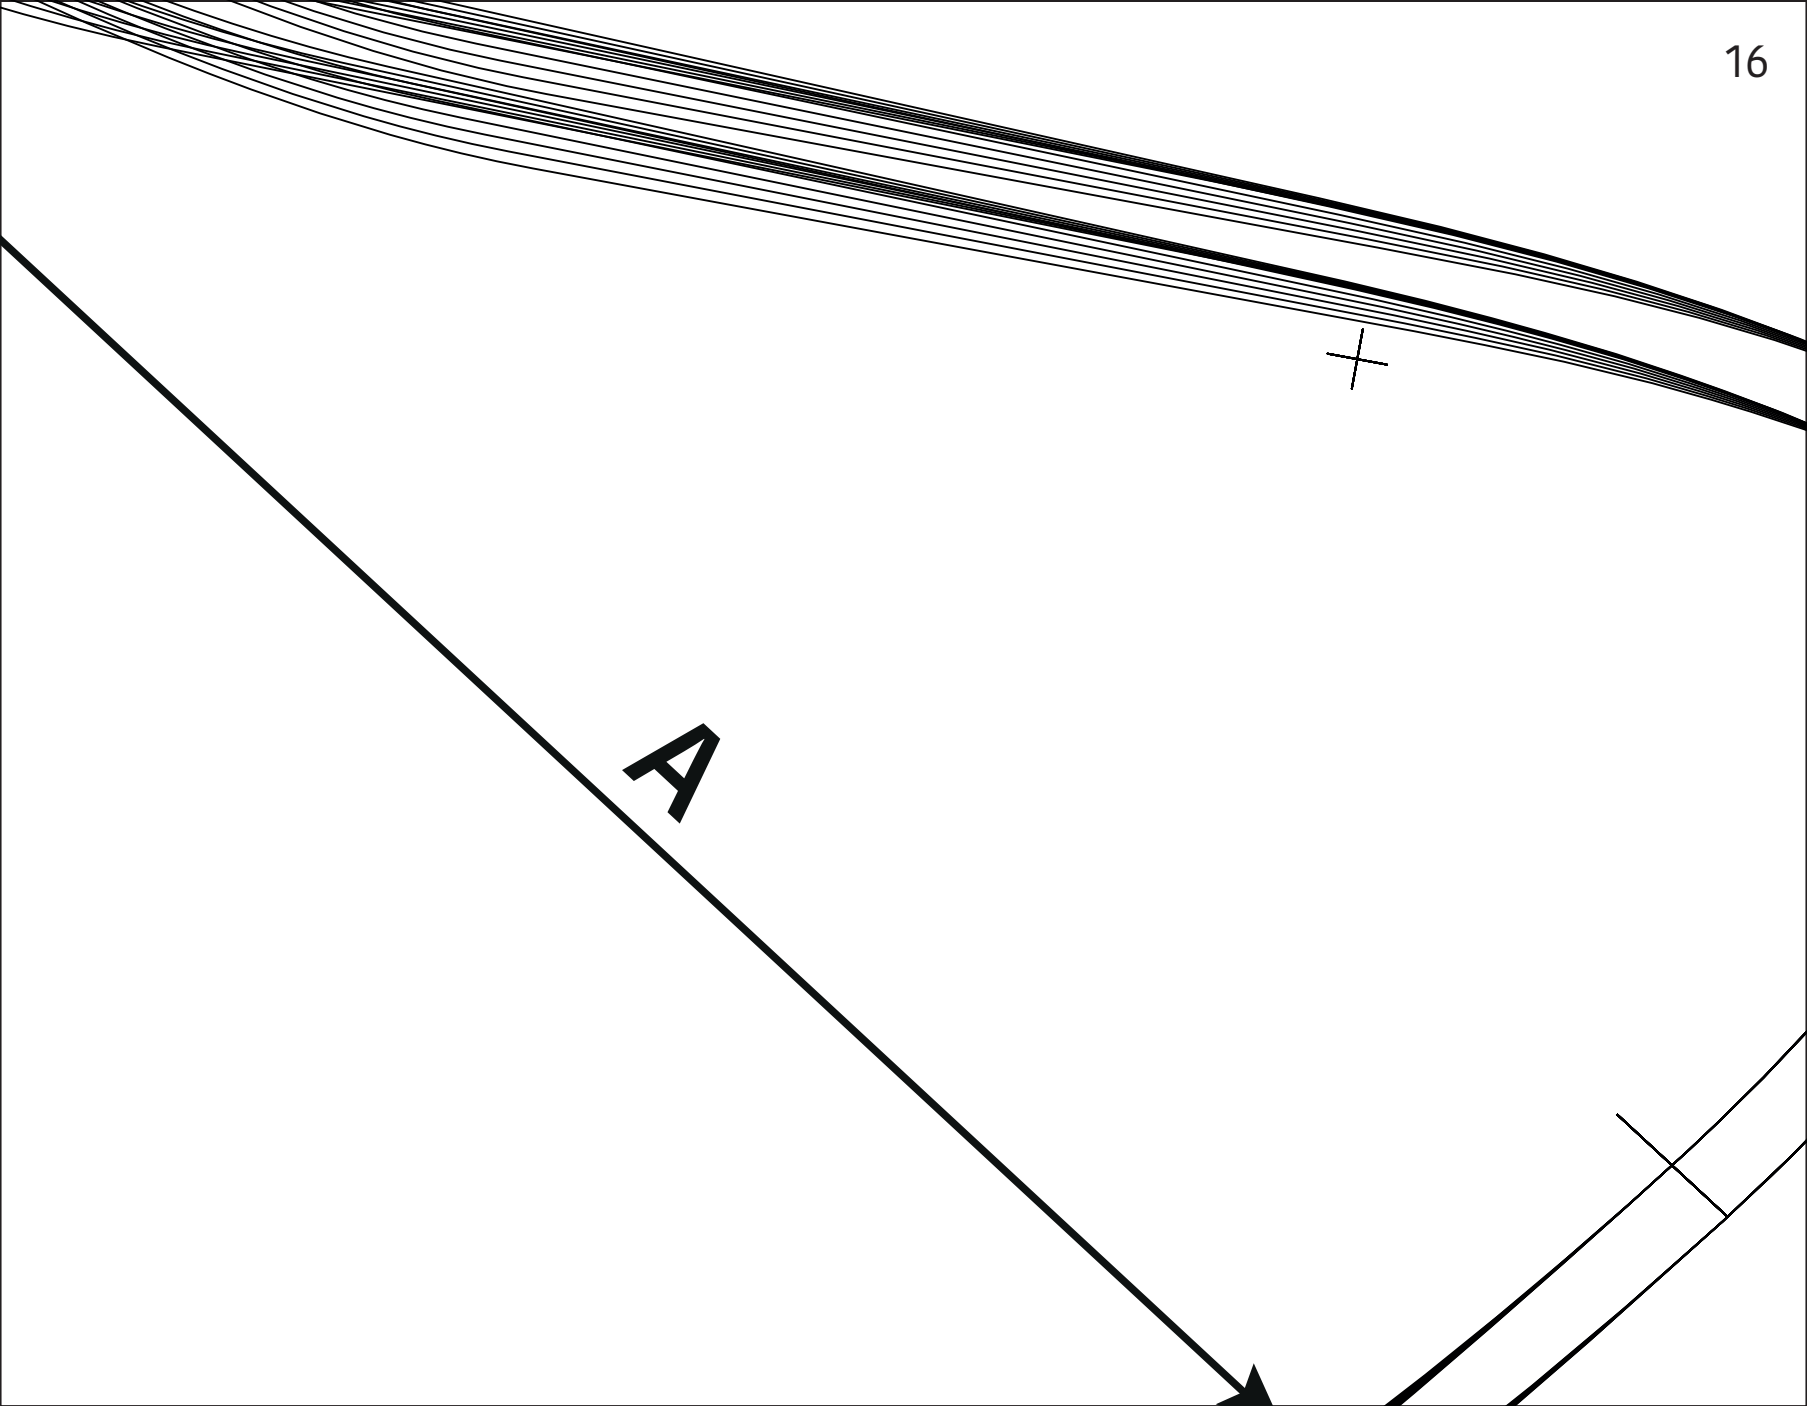

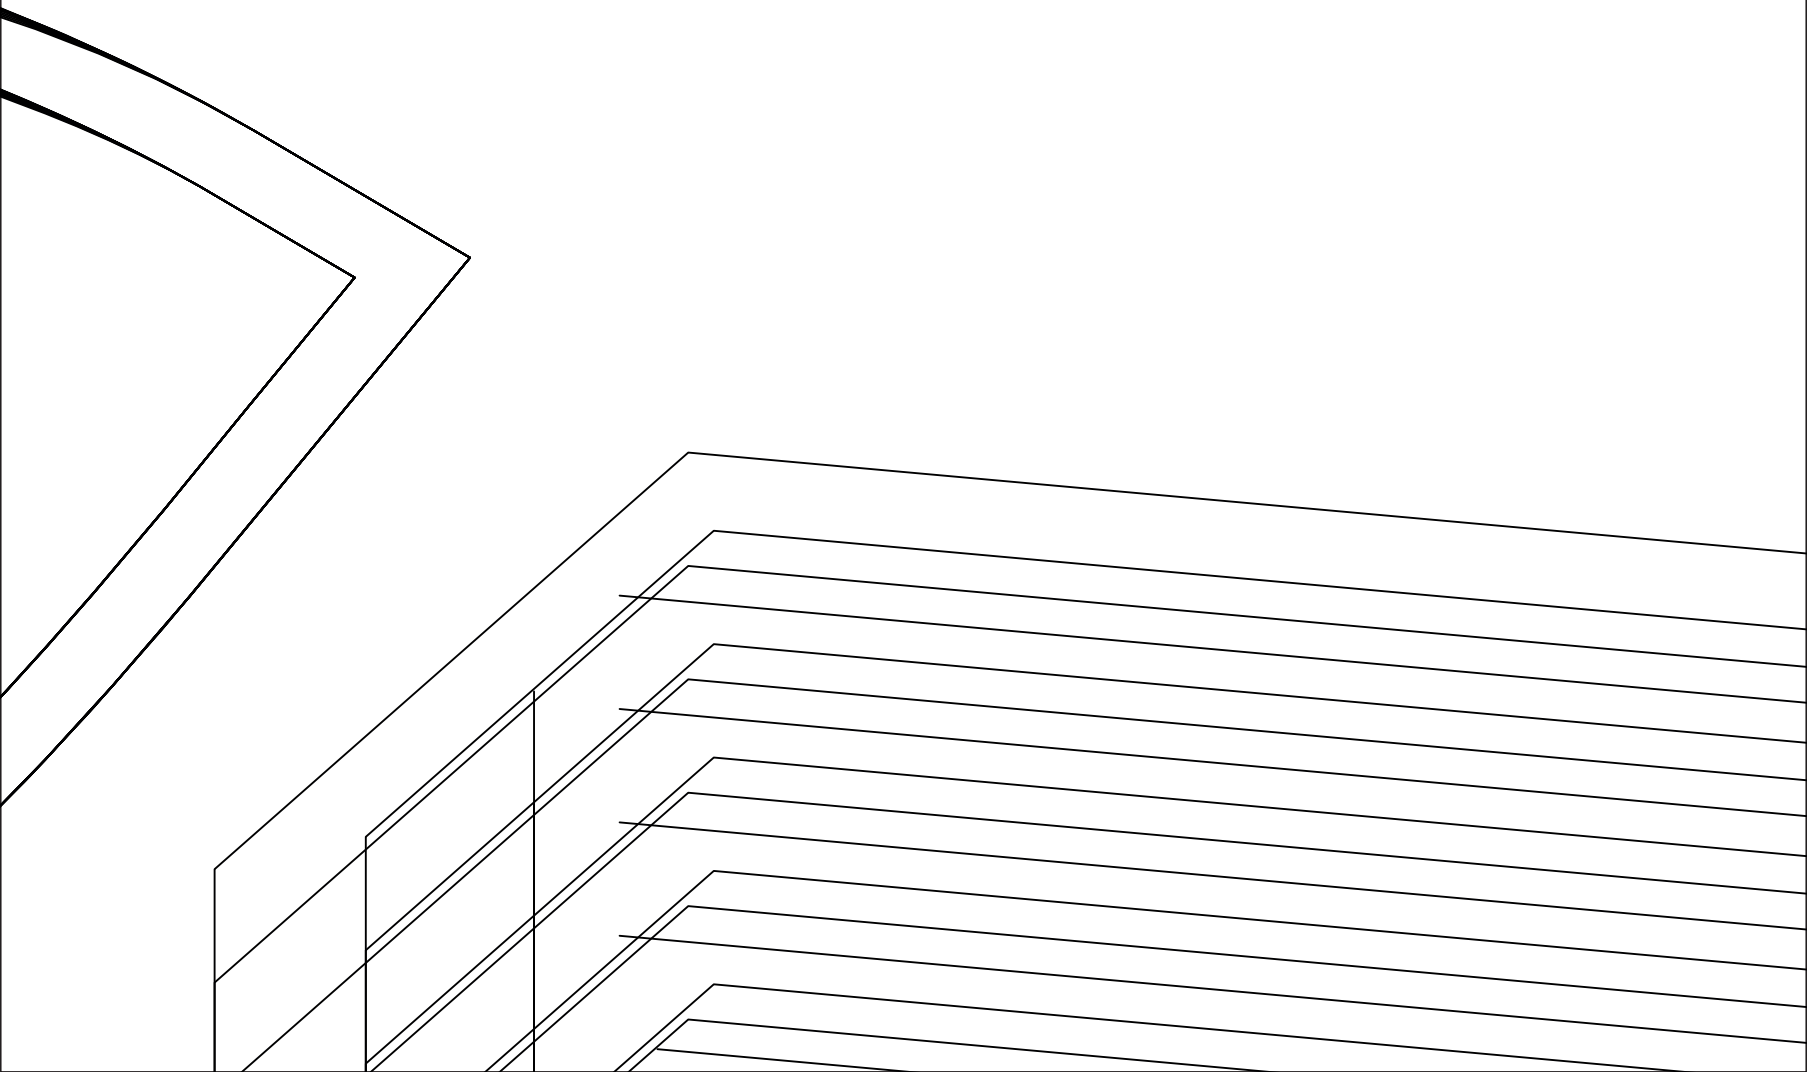

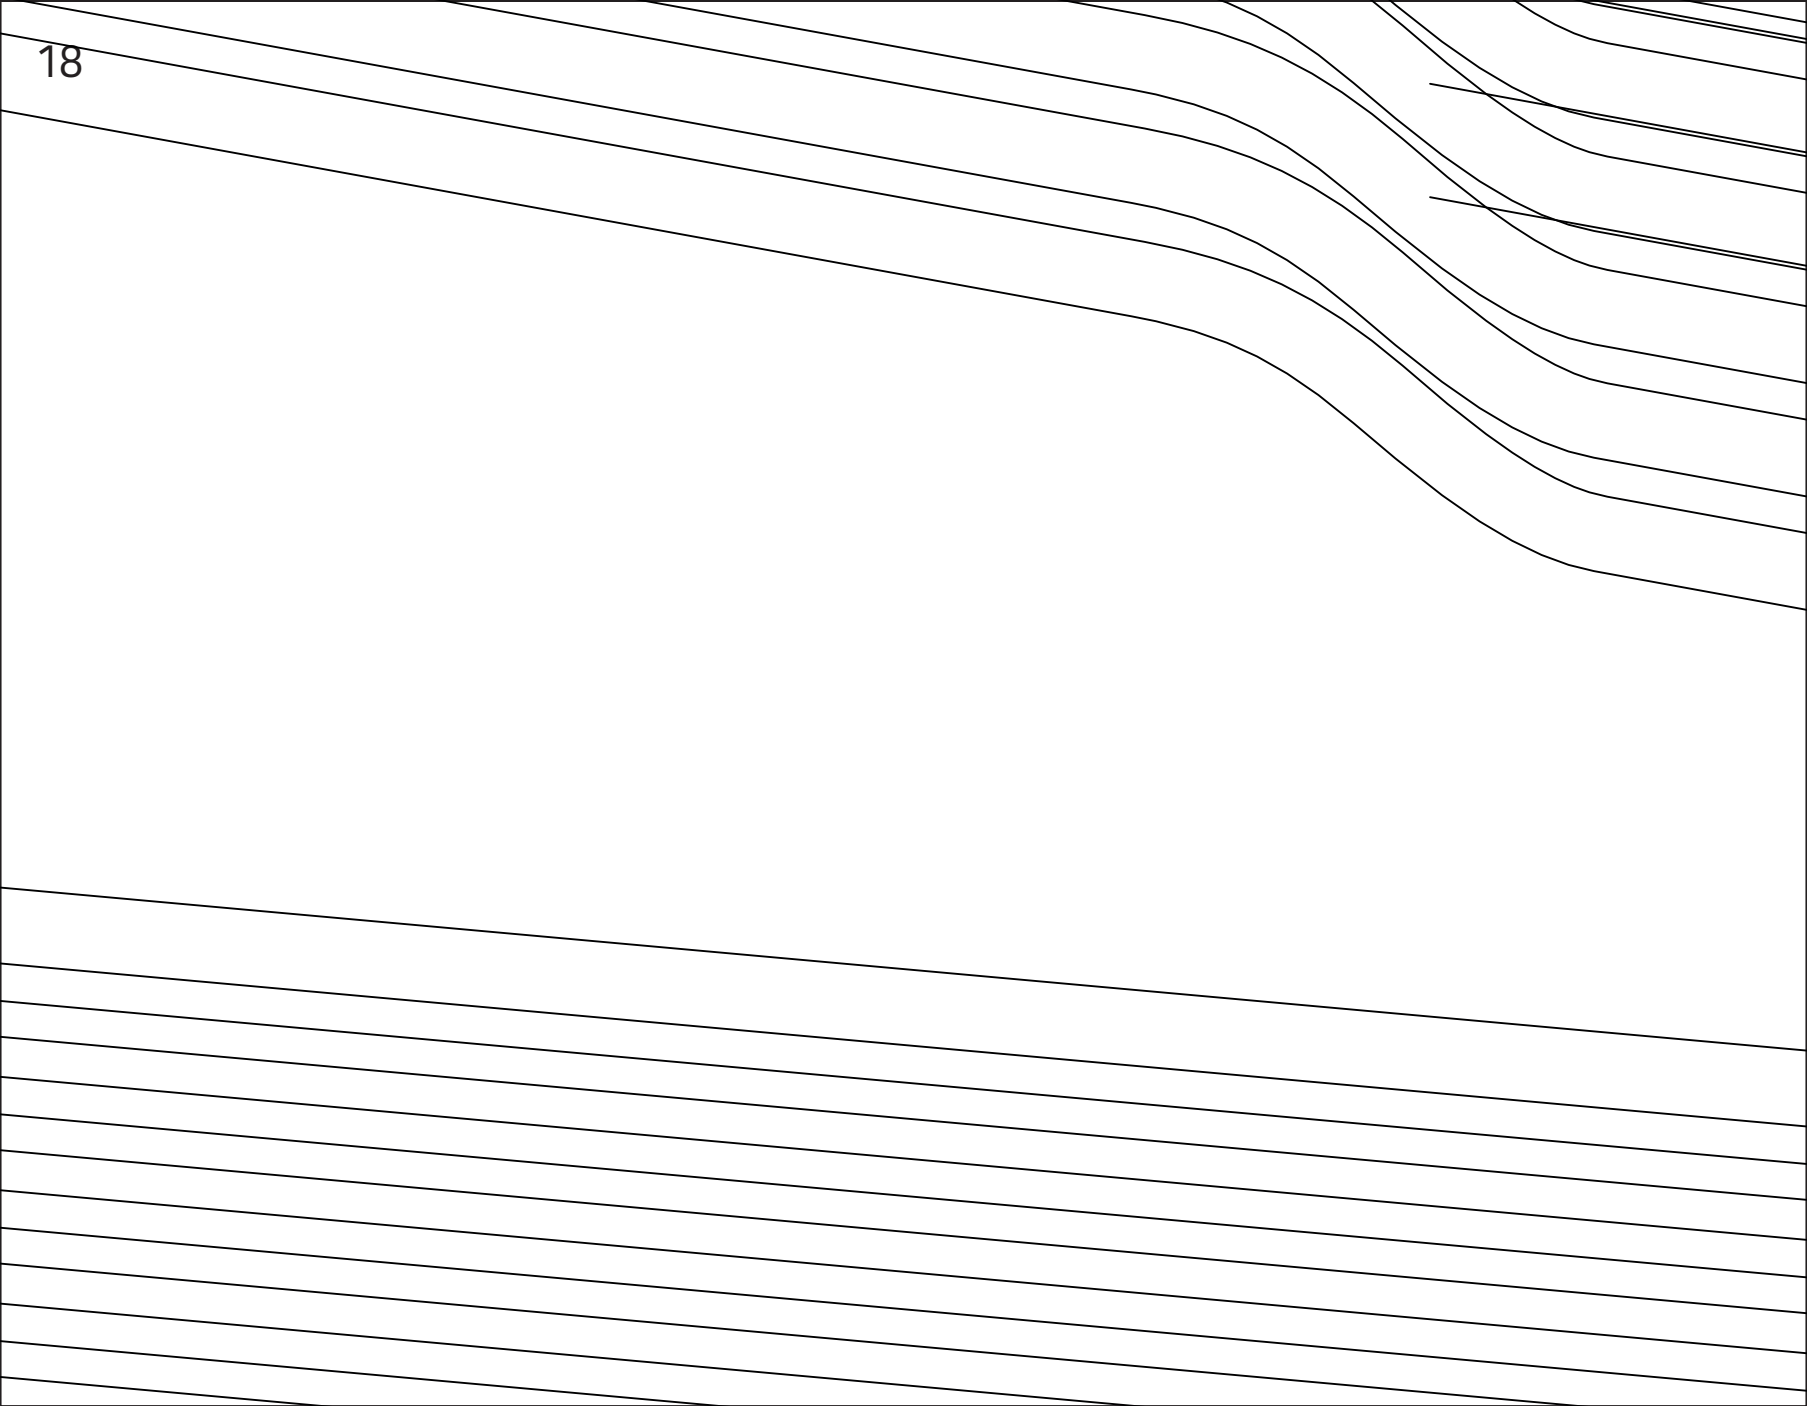

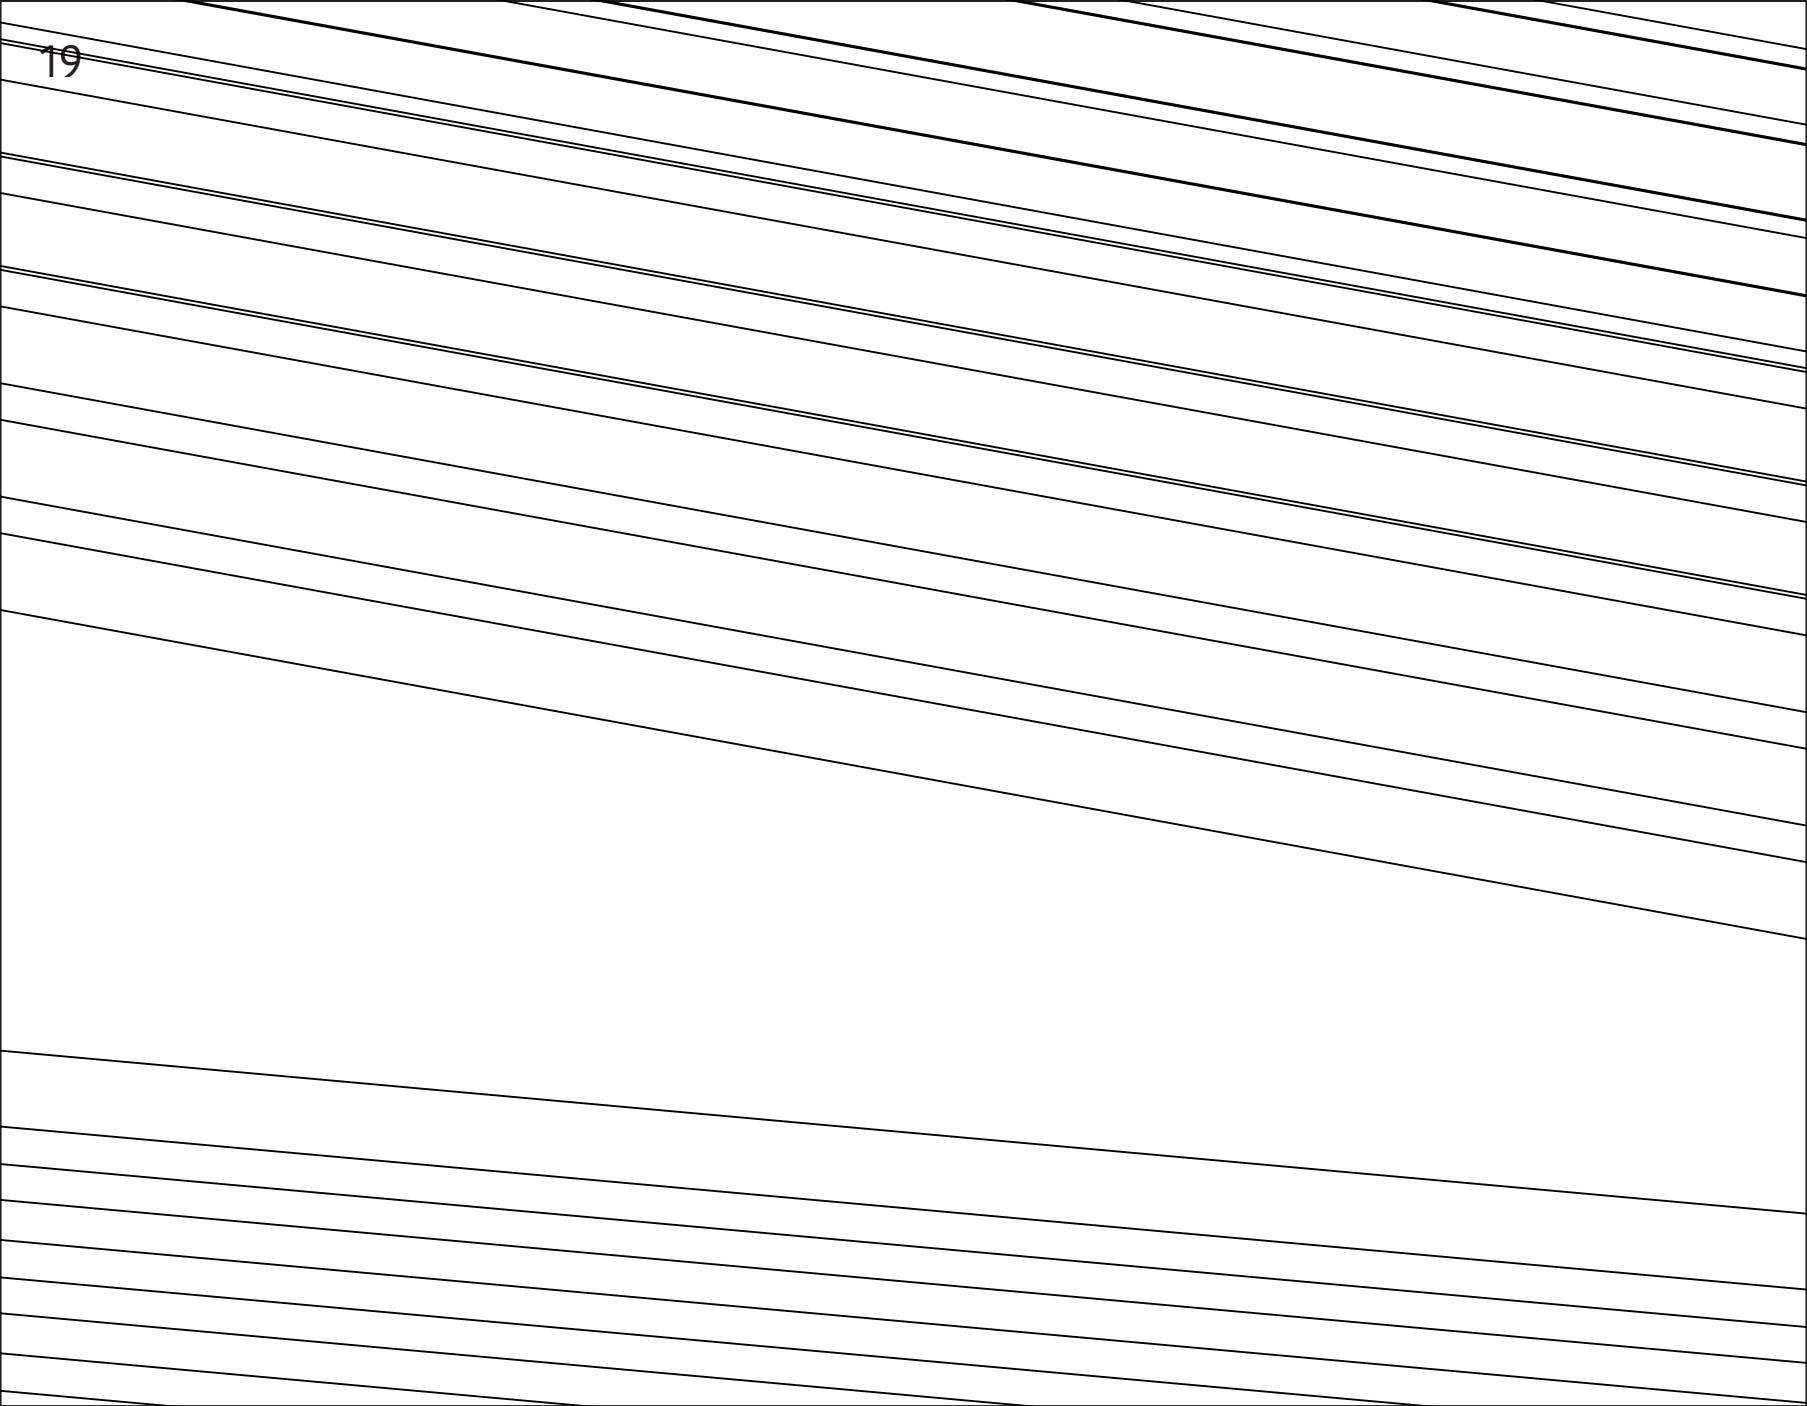

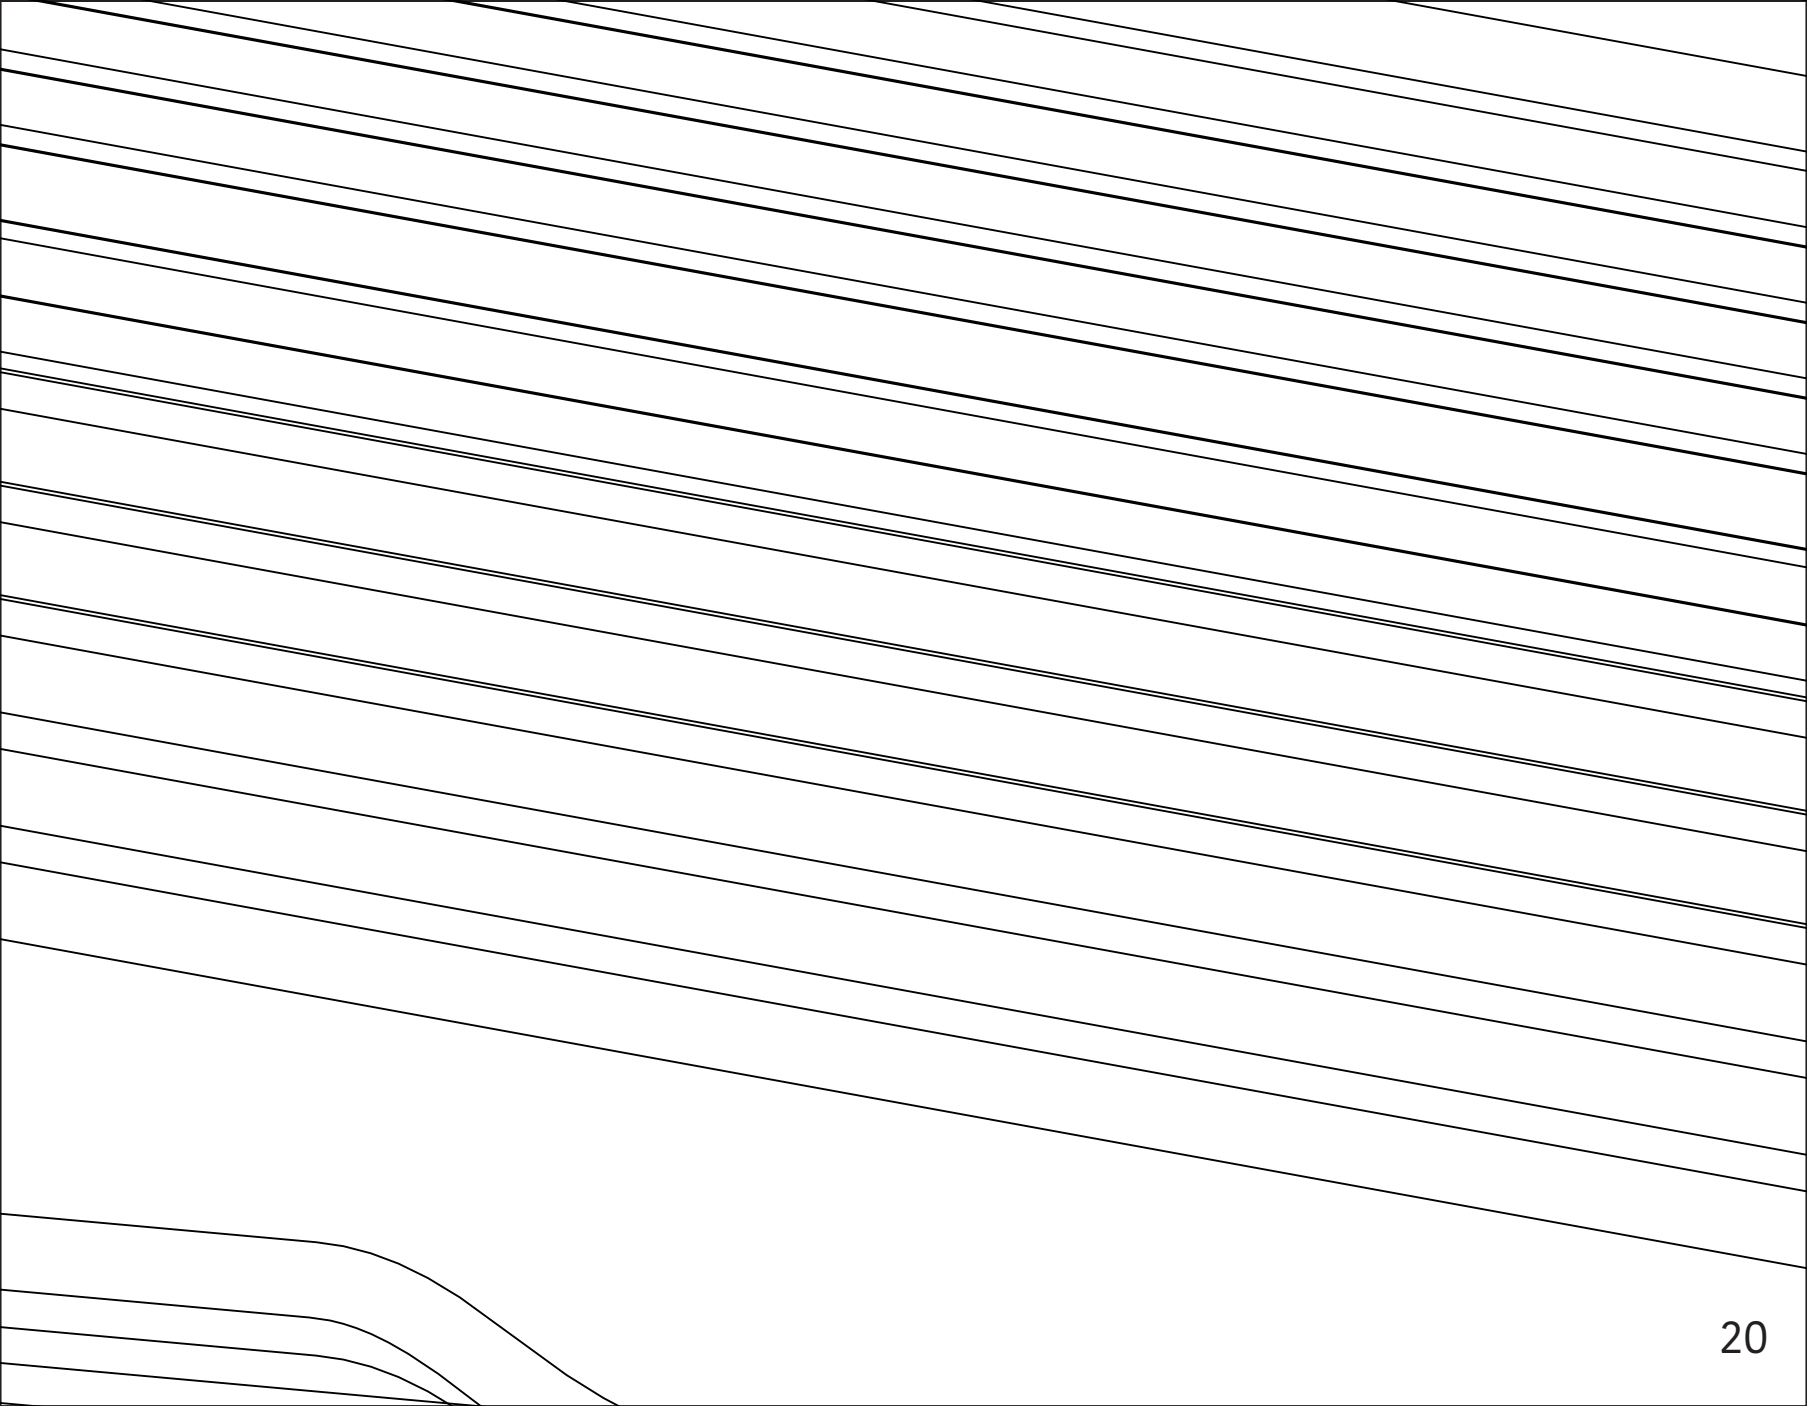

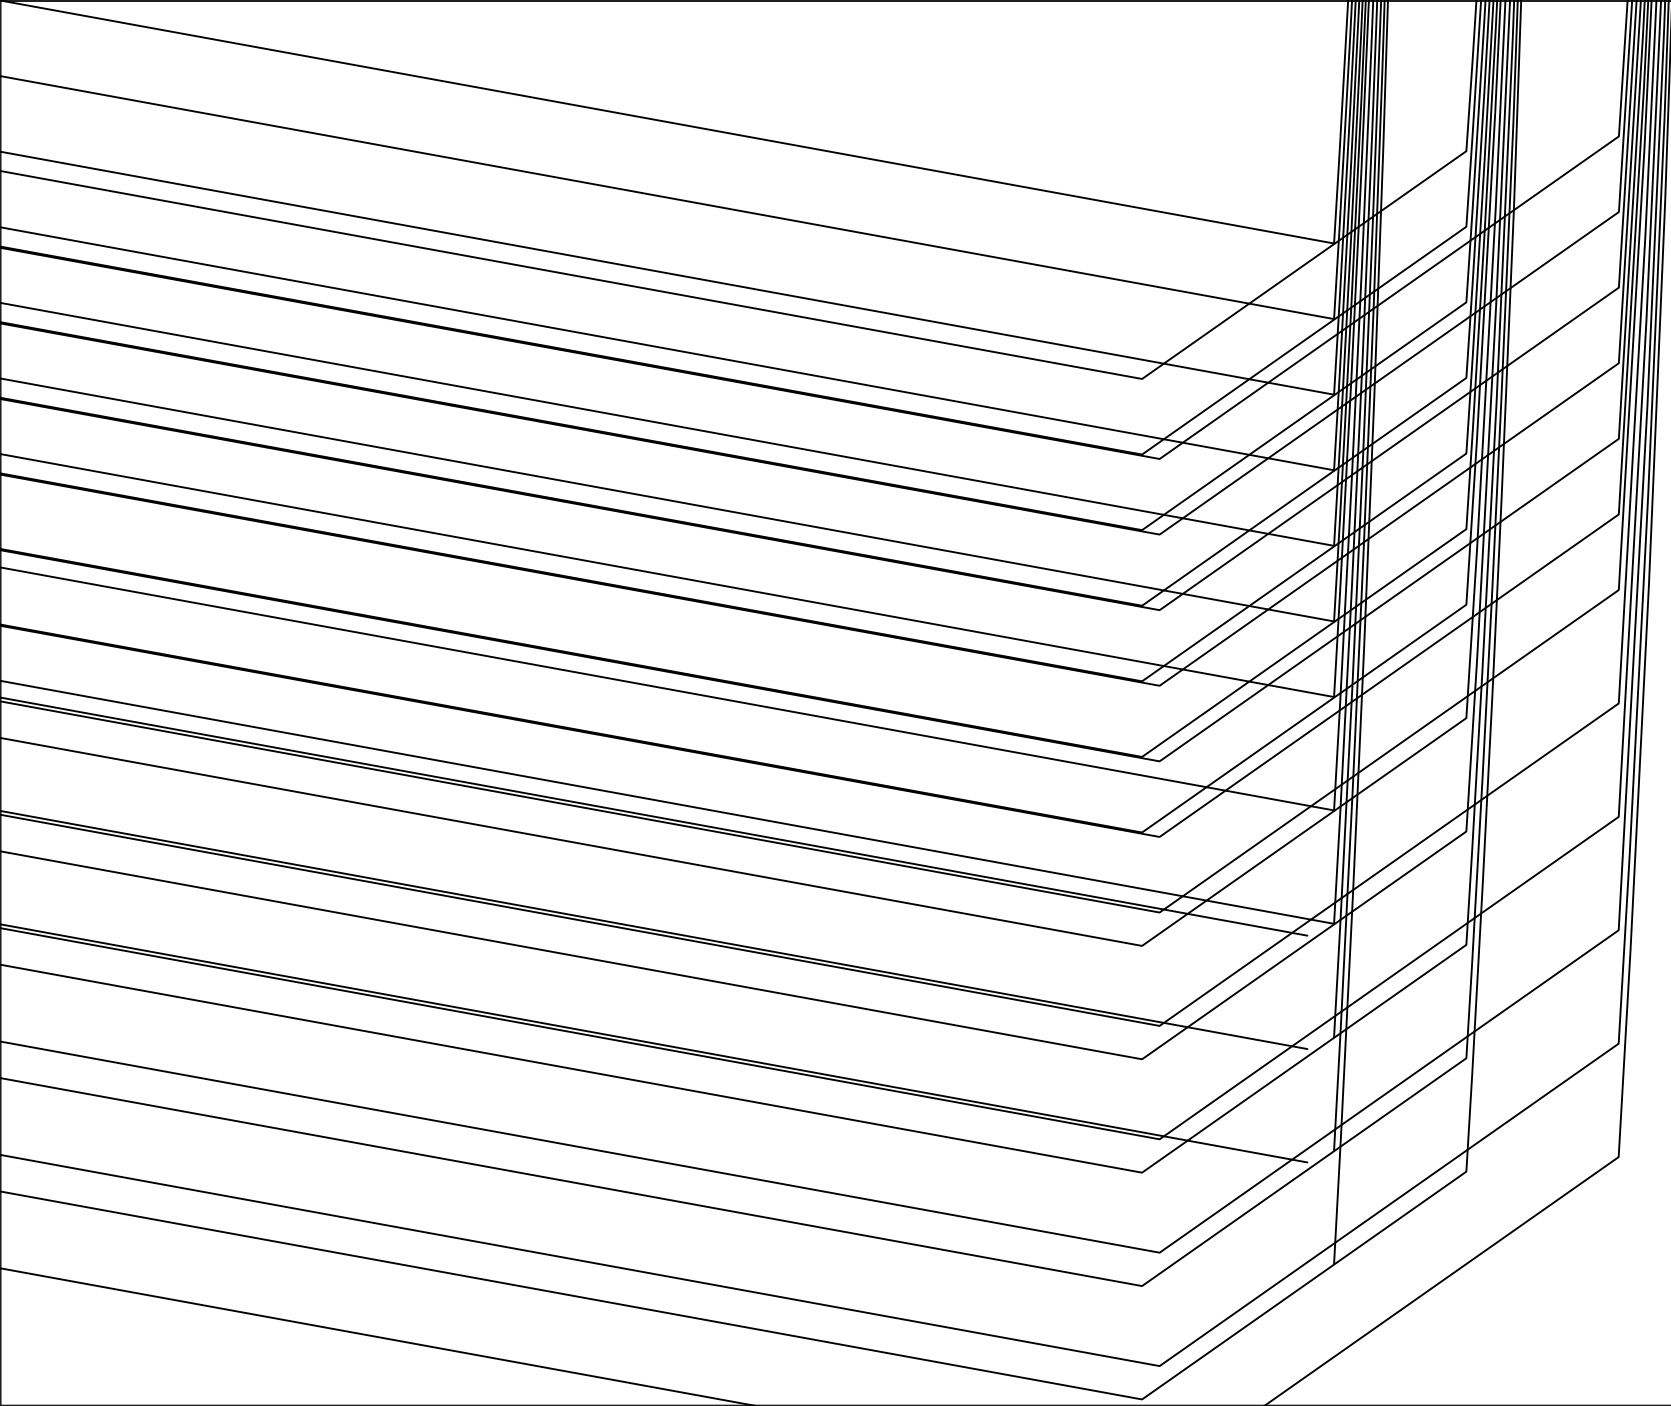

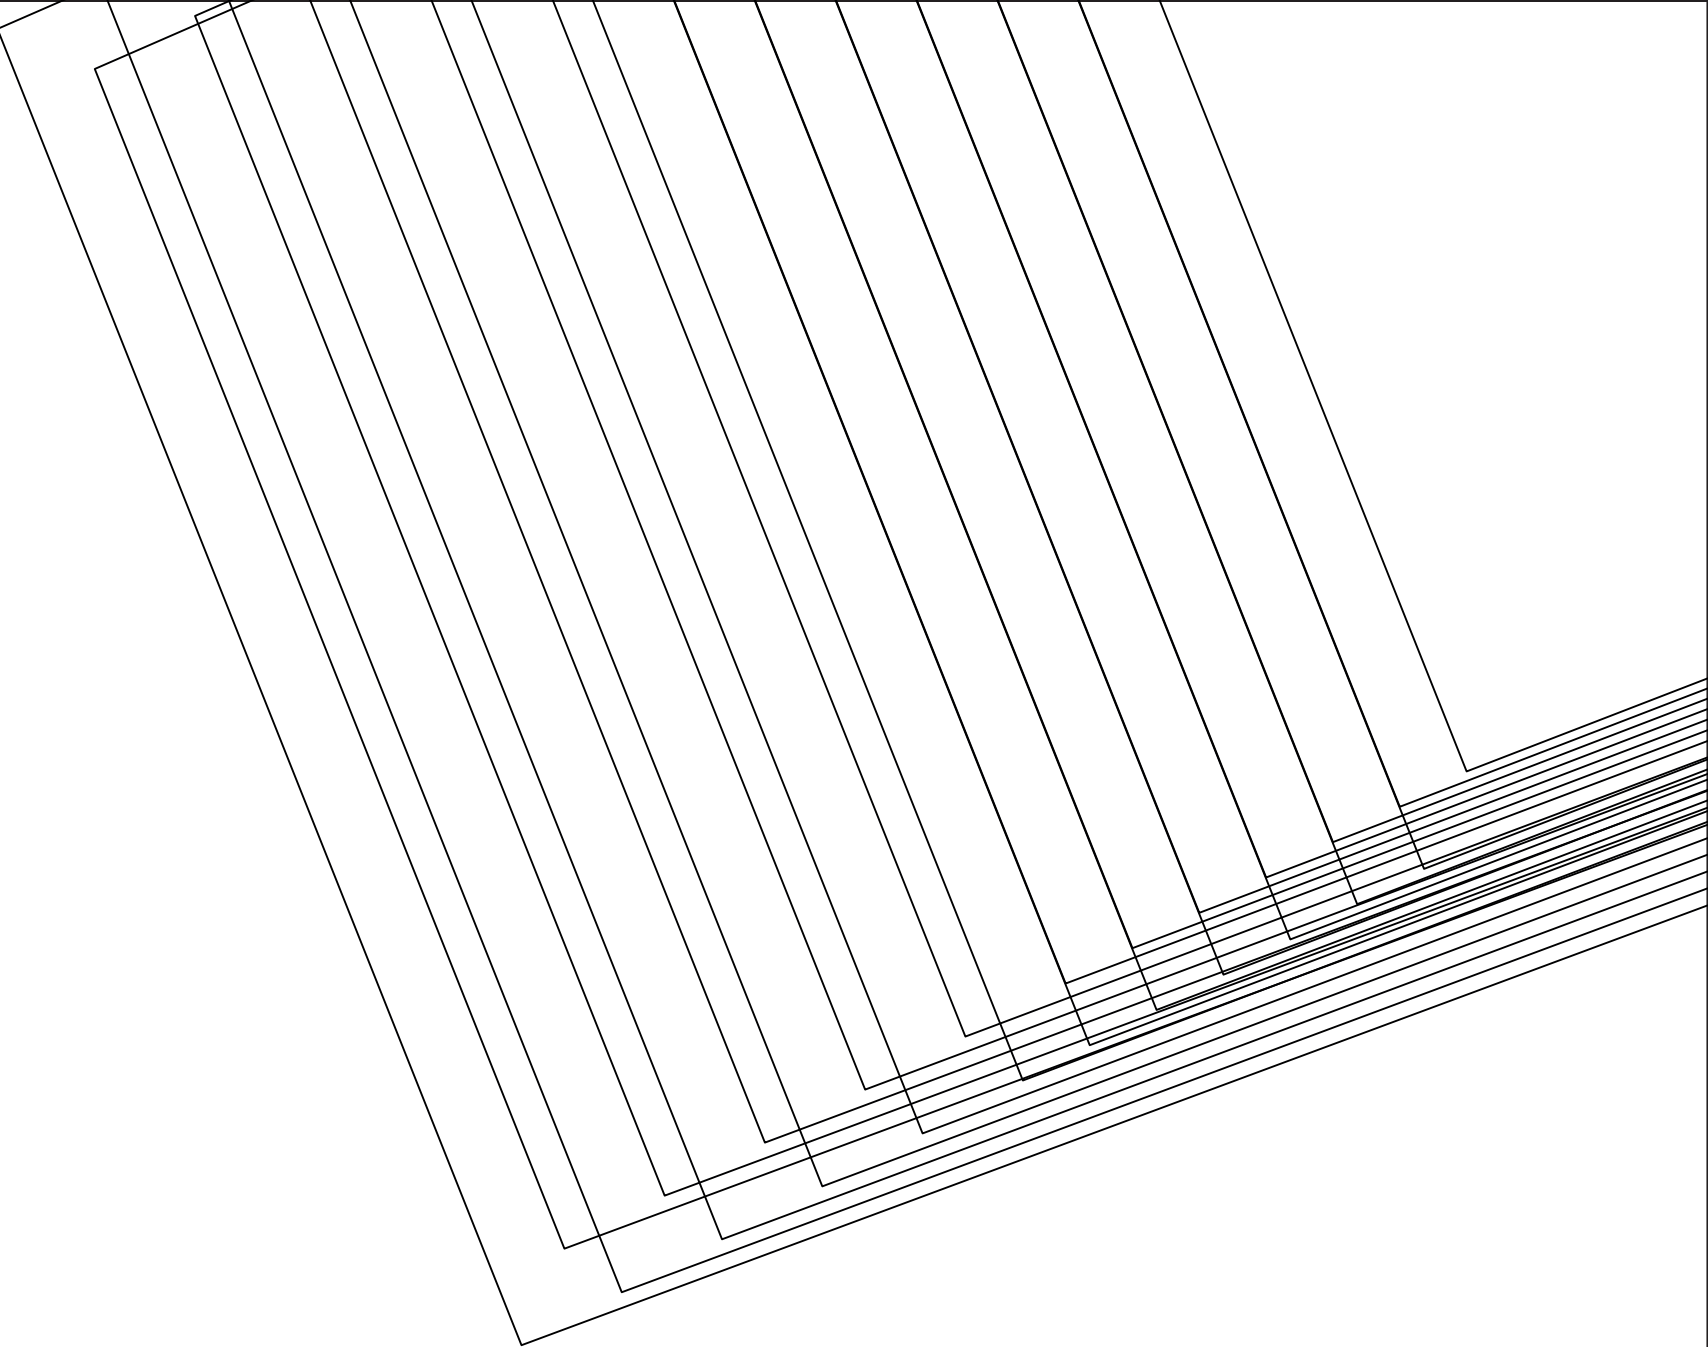

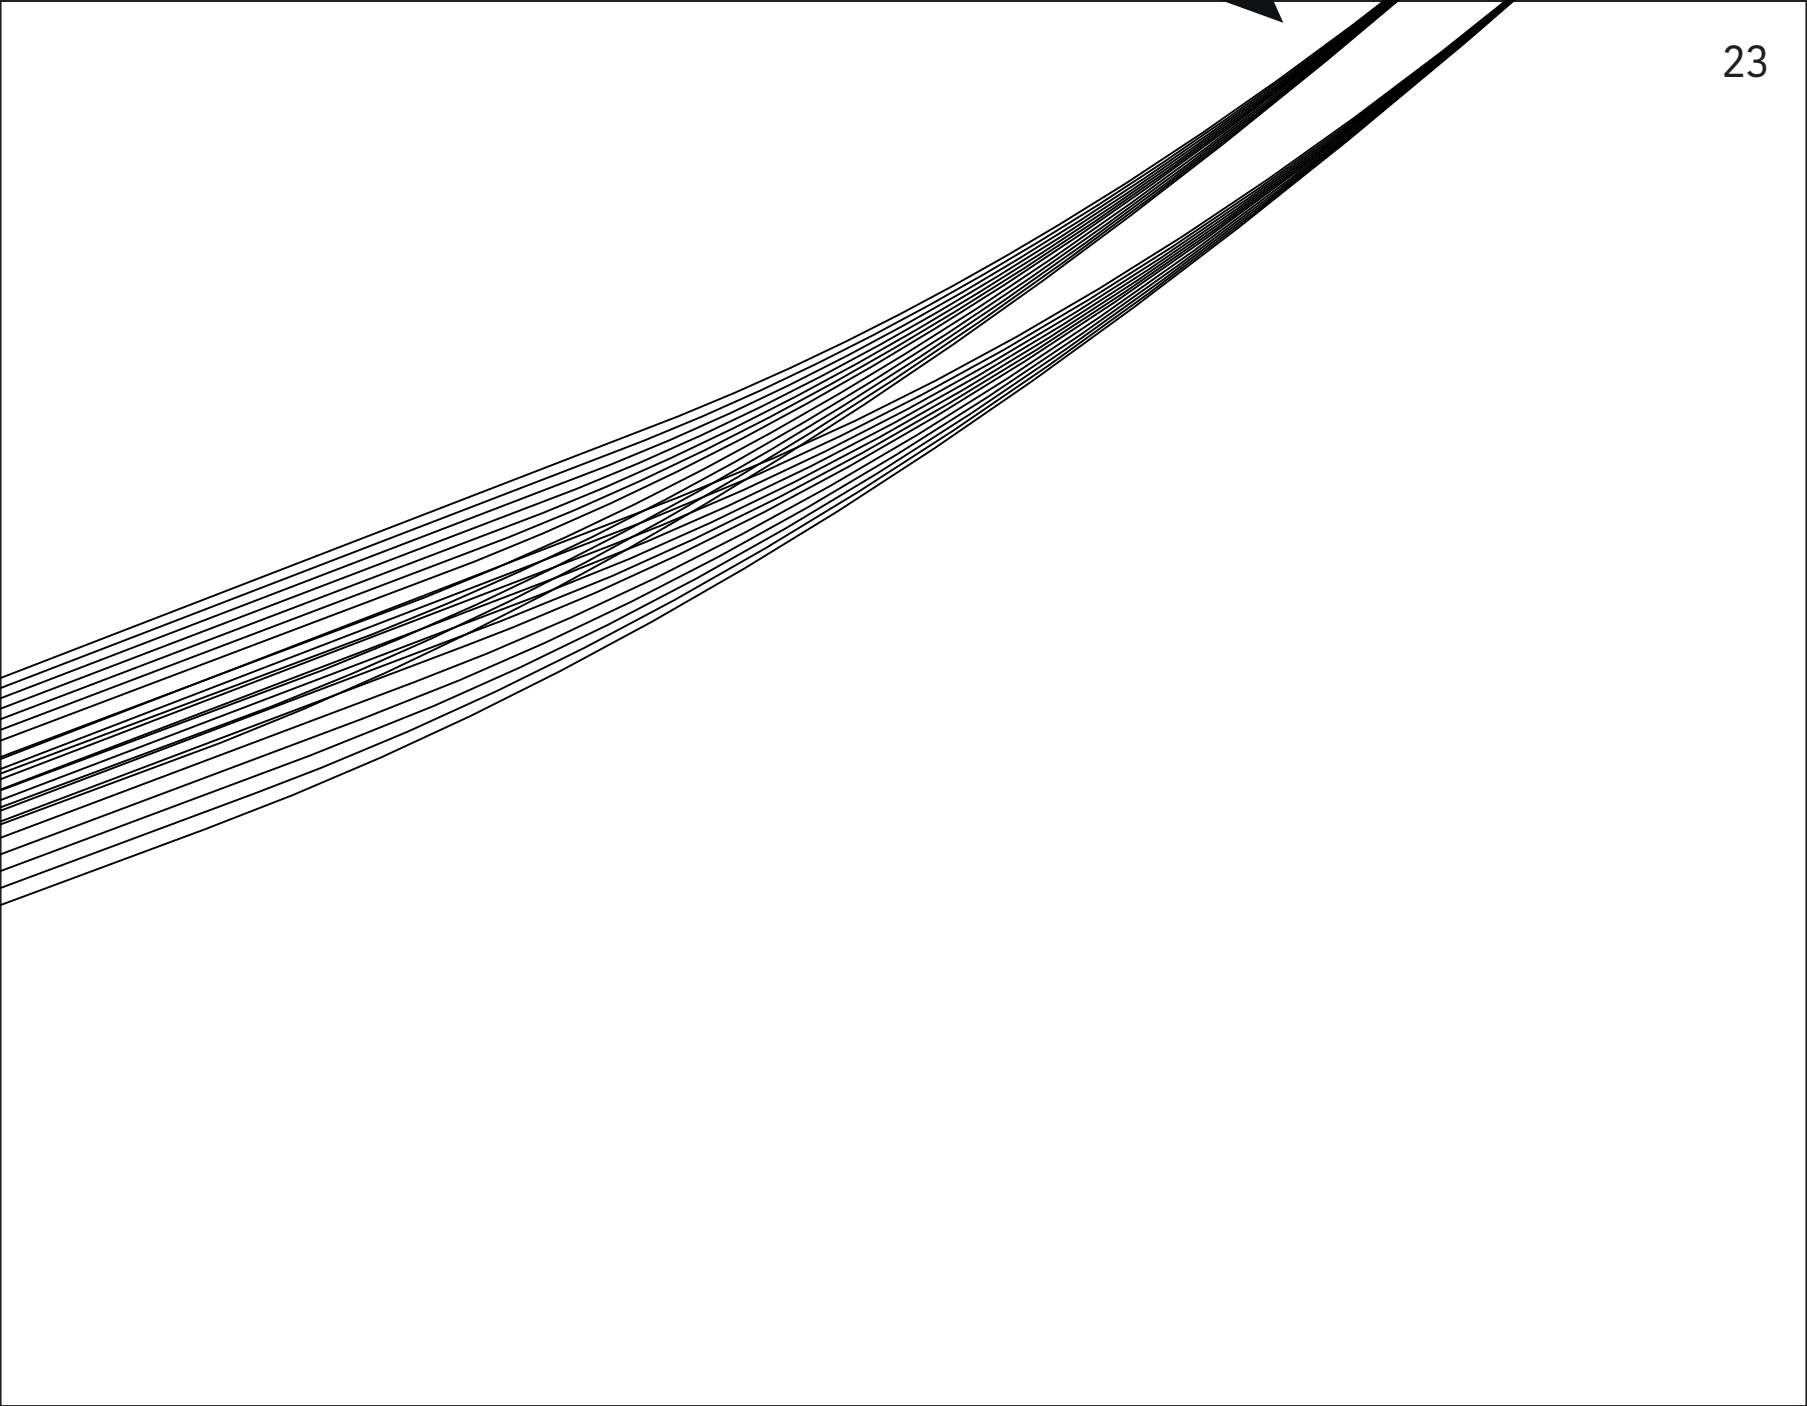

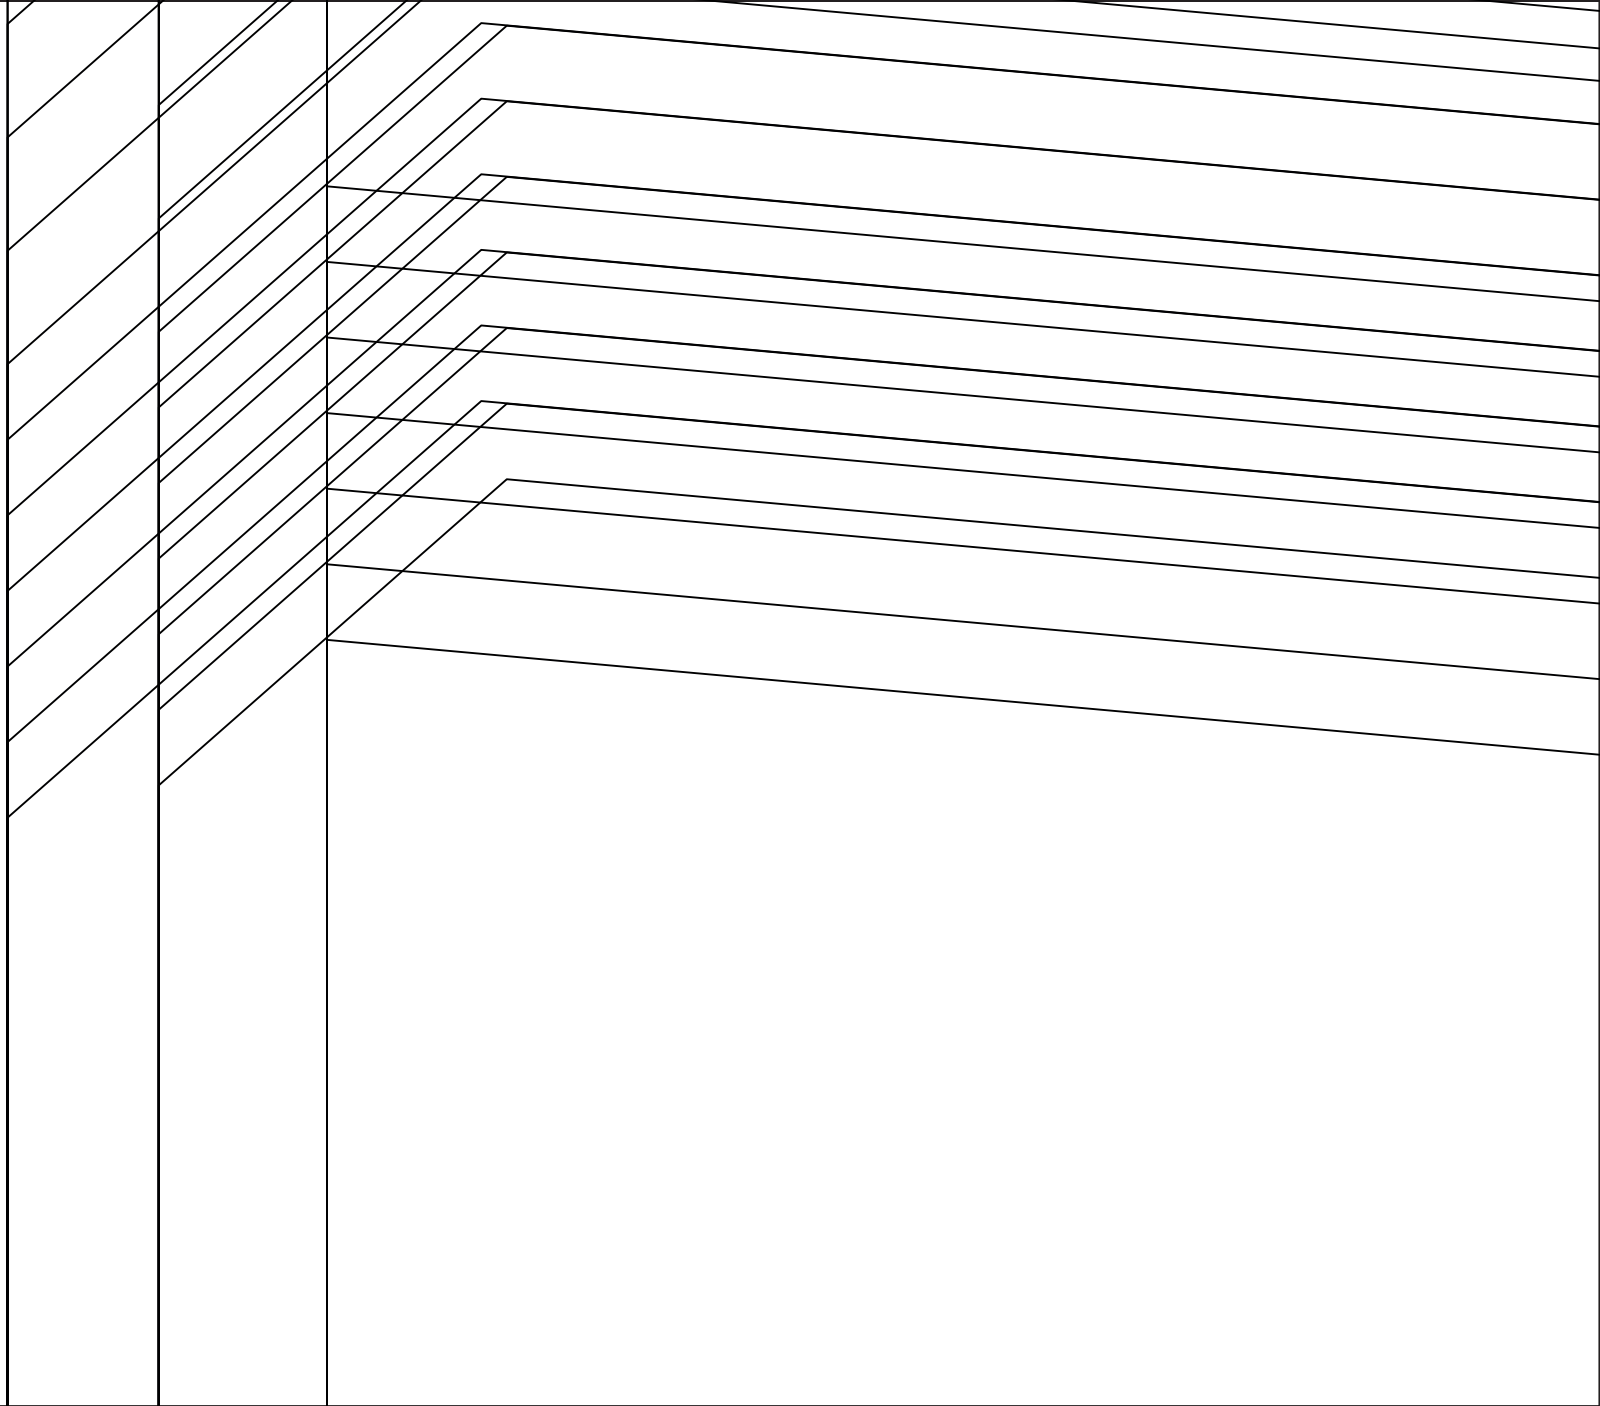

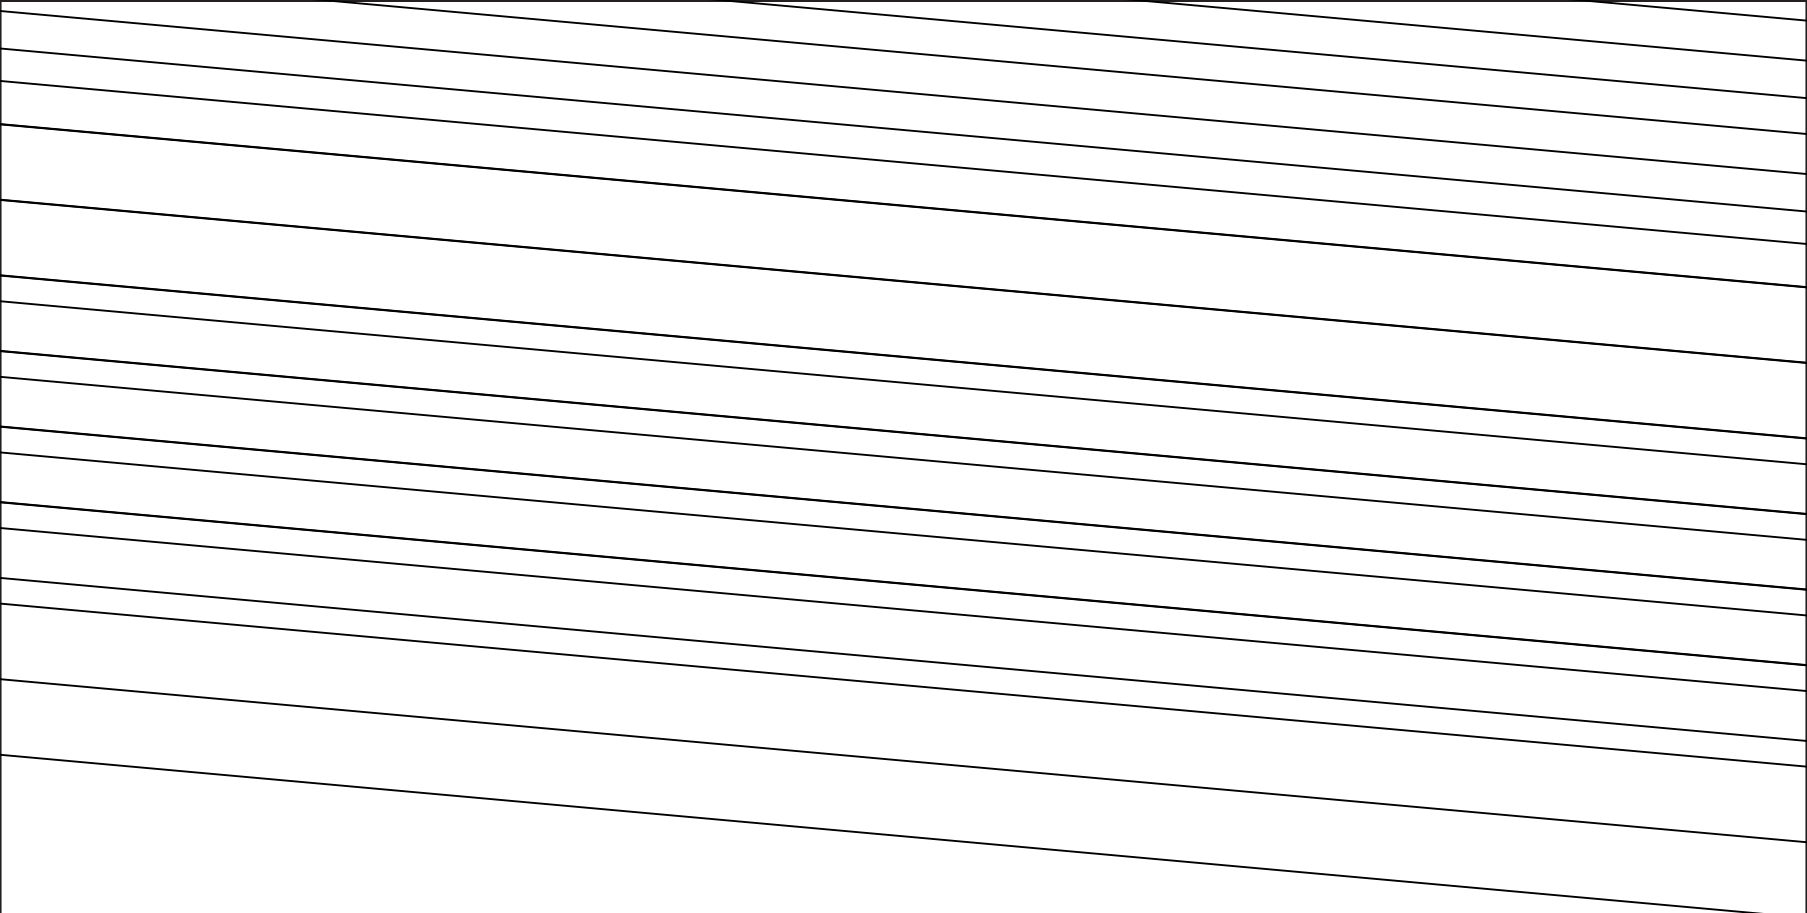

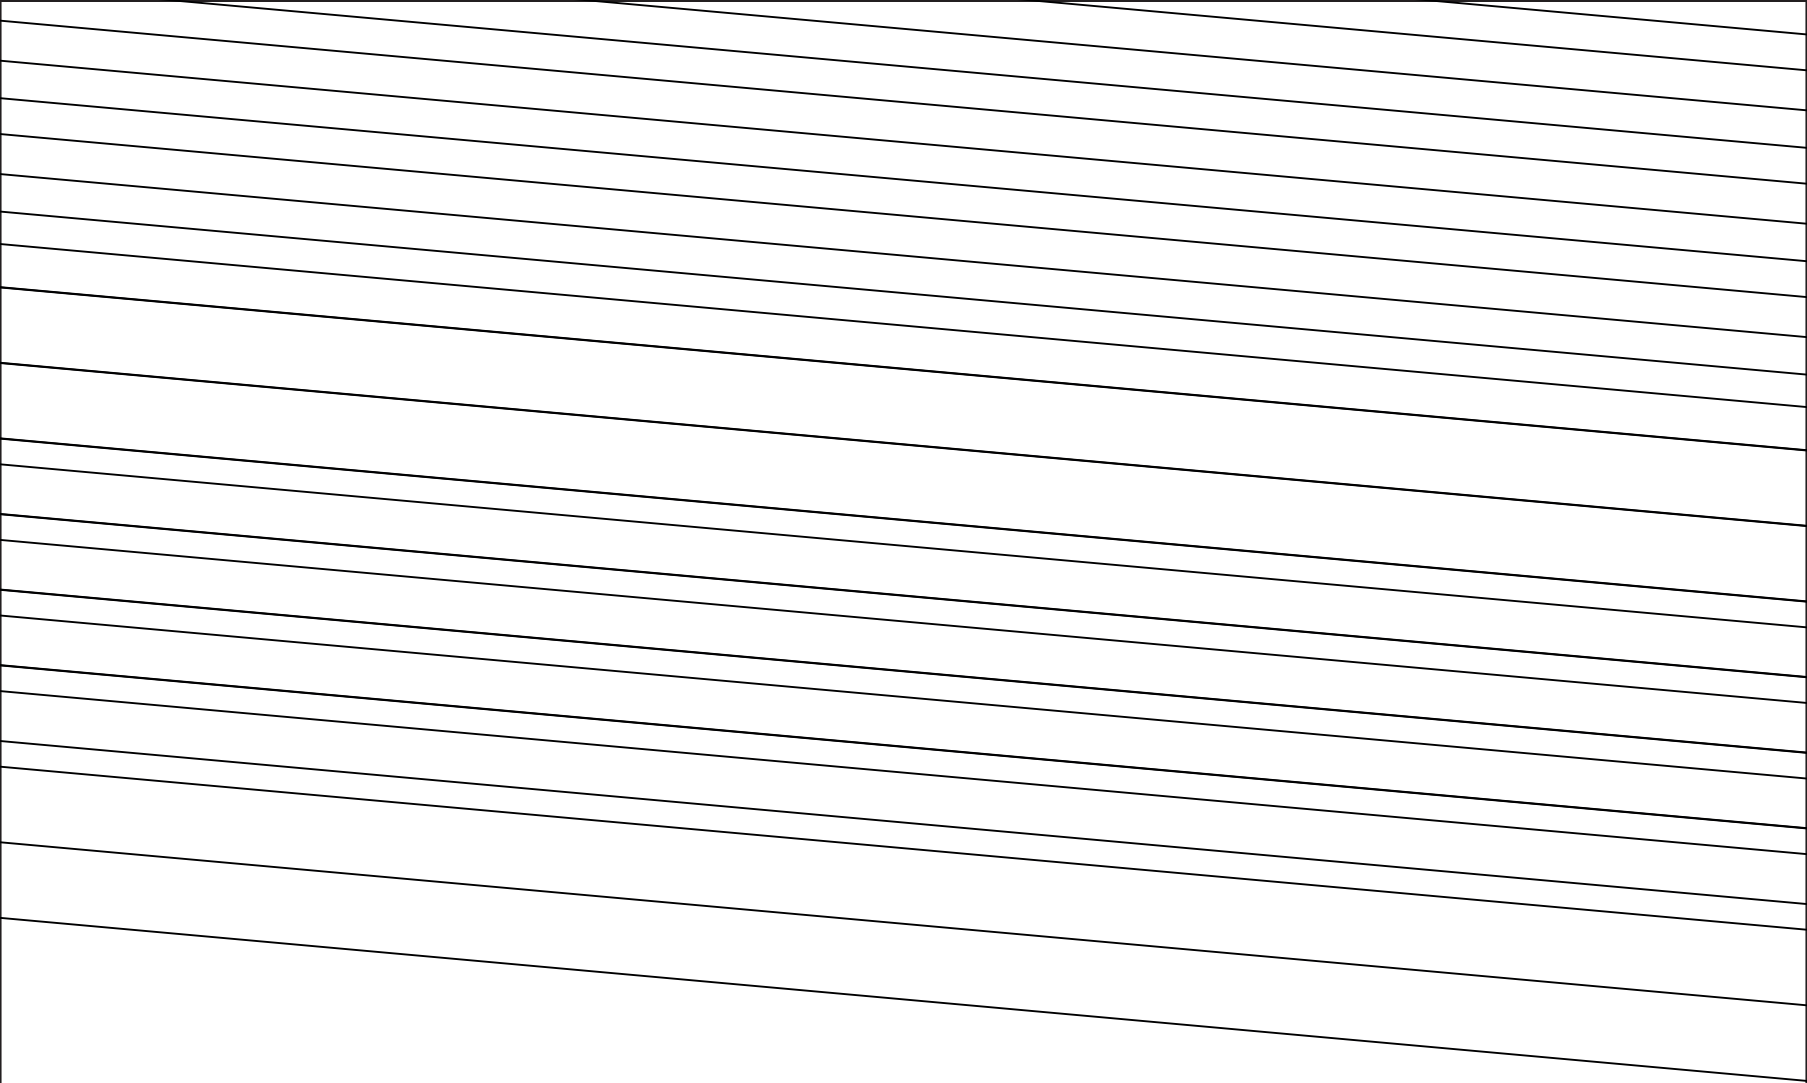

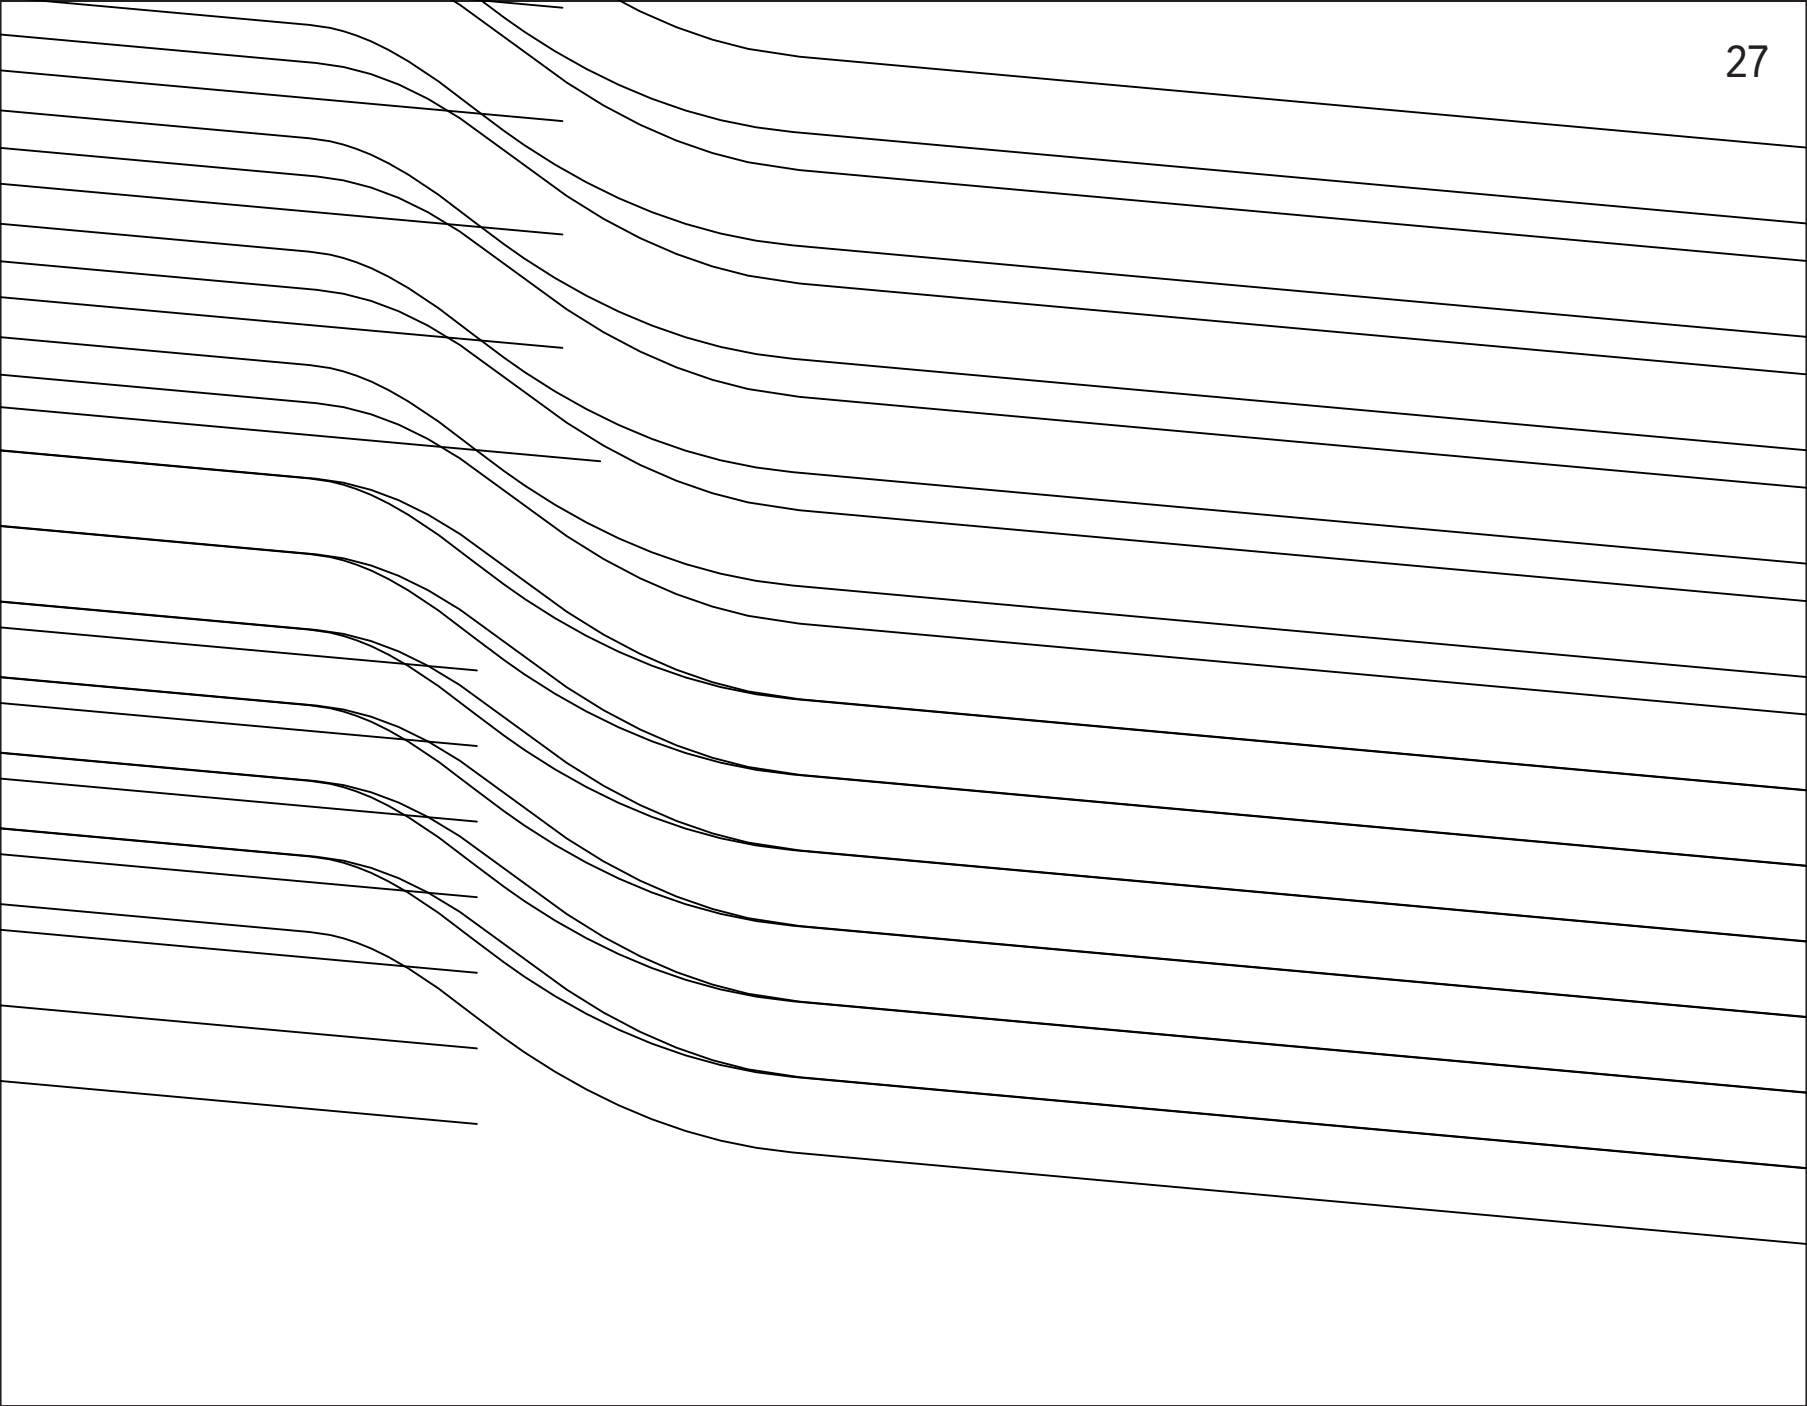

The image shows a large, empty table with a grid of approximately 15 columns and 15 rows. A prominent vertical line runs down the center of the table, dividing it into two main sections. The table is mostly blank, with only a few faint horizontal lines visible in the rightmost column, possibly indicating data points or markers. The overall appearance is that of a blank ledger or data sheet.
